Clerk Block read the following resolutions in its entirety and was opened for public hearing.

RESOLUTION NO. 2018-26

A RESOLUTION OF THE COMMON COUNCIL OF THE CITY OF MISHAWAKA, INDIANA, APPROVING A PETITION OF THE MISHAWAKA BOARD OF ZONING APPEALS FOR THE PROPERTY LOCATED AT:

Vacant Land Between 5102 and 5310 North Main Street, Mishawaka, Indiana

Michael Huber, Ambonmarche Consultants represented petitioners. He said they were requesting Use Variances to allow them to build 3 separate buildings with multiple tenants in each building in the Main Street corridor. Mr. Huber continued to say normally they would prefer to do this as a PUD, but site was too small. He said the Planning Department recommended this was the way to go. Mr. Huber went on to say they would build consistent with the character, design and use permitted in the corridor. He said the only use that was not permitted in C-1 Zoning was drive-thru restaurants, which they would like to build one restaurant with a drive-thru. Mr. Huber said there were at least 5 surrounding drive-thru restaurants in the corridor. He mentioned they were also working on the main access area which was the Qdoba entrance, making sure they were in

coordination with the Planning and Engineering Departments to make sure of traffic flows and connectivity.

Mr. Tanner asked was Qdoba the only shared entrance or would this connect to the same frontage that dead ends at Portillo's. Mr. Huber said they would also connect Portillo's from the south. He said he meant to say the Qdoba entrance was the only entrance to Main Street that would be shared. Mr. Tanner asked would there be new curb cuts. Mr. Huber replied no.

Mr. Compton asked who the tenants were and would this be a strip mall. Mr. Huber said they had some tenants but they were not ready to announce the names at this time and there was some space available. He mentioned there would be two restaurant tenants and would continue to look for more tenants for the rest of the development. Mr. Compton also asked would the developer hire locally. Mr. Huber replied yes, they did hire locally.

Mrs. Voelker questioned the time frame for the development. Mr. Huber said they would like to break ground in spring on two of the buildings; they would begin on the third building further on in the process. He hoped businesses would be open in fall 2019.

Question was called for at 7:25PM for **RESOLUTION NO. 2018-26**  **Vote: Motion carried by unanimous roll call vote (summary: Yes = 9). Yes: Mrs. Voelker, Mr. Compton, Mr. Tanner, Mr. Deal, Mr. Banicki, Mr. Emmons, Mr. Bellovich, Mr. Canarecci, Mr. Mammolenti.**

Mr. Bellovich reported the Budget and Finance Committee recommended this proposed ordinance should be presented to the council as a whole. This is signed by the entire committee upon a second by Mr. Compton motion carried.

Rebecca Miller, City Controller explained as a part of sidewalk and curb cost shared program, citizens paid 50% of their sidewalk and curb repairs. She said she was appropriating the money they received from the citizens to pay for the cost.

PROPOSED ORDINANCE NO. 2018-33

AN ORDINANCE AMENDING ORDINANCE 5532 THAT ESTABLISHED INTERNAL CONTROL STANDARDS AND THE MATERIALITY THRESHOLD

(Internal Controls Standards)

(Assigned to the Budget and Finance Committee)

Mr. Canarecci reported the Budget and Finance Committee recommended this proposed ordinance should be presented to the council as a whole. This is signed by the entire committee upon a second by Mr. Banicki motion carried.

Rebecca Miller, City Controller said she had an amendment to the Internal Control Ordinance which was originally adopted in 2016. She explained an item in section 2 stated the controller was directed to ensure that “all personnel receive training concerning the internal control procedures,” it’s been determined the employees that need the training presently, all current, new, and seasonal employees that dealt with money had the internal control training. Ms. Miller continued to say they had many employees that did not work with finances, it did not seem reasonable for them to do the training. She said the language would be changed to say, “all appropriate personnel to receive training concerning internal control.” Ms. Miller said she would also like to make a change in the policy. She said under Cash Activities Principal 10, it originally stated “the monthly reconciliation between cash balance and the bank balance is thoroughly reviewed and approved by the governing body.” Ms. Miller went on to say they did give reports monthly to the council, but they did not have the council approve the reconciliations. She said she did not process the checks or reconcile the banking to the ledger. Ms. Miller continued to say she was the appropriate person to do the review and it was appropriate to change the language to “to be approved by the City Controller.”

Mr. Compton asked would it be better to list the position appropriate. Ms. Miller said they could list the position, but the ordinance would have to be amended every time a new position was added or taken away. She explained the auditors reviewed to see who had taken the certification and the policy, which was how it was brought to her attention. Ms. Miller continued to say the auditors questioned why every single employee did not do the training, they said every employee needed to do the training or to amend the ordinance. She said having it read a little more general made sense. Ms. Miller said if the auditors felt it was too broad, she would change it.

Question was called for at 7:36 P.M. for **PROPOSED ORDINANCE NO. 2018-33**  **Vote: Motion carried by unanimous roll call vote (summary: Yes = 9). Yes: Mrs. Voelker, Mr. Compton, Mr. Tanner, Mr. Deal, Mr. Banicki, Mr. Emmons, Mr. Bellovich, Mr. Canarecci, Mr. Mammolenti.** Thus, it becomes **ORDINANCE NO. 5639**

PROPOSED ORDINANCE NO. 2018-34

AN ORDINANCE AMENDING THE MUNICIPAL CODE OF THE CITY OF MISHAWAKA, INDIANA, ESTABLISHING AN AMBULANCE FUND

(Establish New Ambulance Fund)
(Assigned to Budget and Finance Committee)

Mr. Canarecci reported the Budget and Finance Committee recommended this proposed ordinance should be presented to the council as a whole. This is signed by the entire committee upon a second by Mr. Tanner motion carried.

Rebecca Miller, City Controller said they were going to take 10% of the EMS Revenue and dedicate it into an Ambulance Fund for the purchases of new ambulances.

Mrs. Voelker pointed out the proposed ordinance said this was for the replacement for the city’s ambulance fleet but under Section 1 it stated this was for the “sole purpose to fund EMS

equipment.” She asked why it did not read the same. Ms. Miller said she considered it to be the same thing. Mrs. Voelker said it could be interpreted to be used to be purchased to purchase any EMS equipment. She expressed she felt it should read the same unless the purpose was for the fund to be flexible, but that would dilute the purpose of the account. Ms. Miller said she understood. She continued to say the beginning was the description of the ordinance and the section explained exactly what the fund would be used for.

Mr. Tanner asked with the purchase of an ambulance did they need to purchase the equipment to make the ambulance fully operational. Ms. Miller replied yes. Ms. Miller said if it was necessary, they could purchase the equipment for the EMS vehicles.

Mr. Deal asked what the cost was to buy a new ambulance. Ms. Miller said the last EMS vehicle purchased was under \$300,000. She said they replace the vehicles every 3 to 4 years. Ms. Miller continued to say she estimated to have the money available in 3 to 4 years. Mr. Deal asked would the fund be adequately funded. Ms. Miller replied yes, she expected it to cycle to use the funds for the ambulances.

Mr. Mammolenti asked could this free some additional funds they used in the past to purchase the vehicles. Ms. Miller said with the cost of everything increasing she was unsure that would be the case.

Mr. Canarecci asked was the revenue generated by EMS increasing. Ms. Miller replies yes, gradually.

Ms. Miller said the idea was to have the money available and not take away from other funds.

Question was called for at 7:43 P.M. for **PROPOSED ORDINANCE NO. 2018-34**  **Vote:** Motion carried by unanimous roll call vote (**summary: Yes = 9**). **Yes: Mrs. Voelker, Mr. Compton, Mr. Tanner, Mr. Deal, Mr. Banicki, Mr. Emmons, Mr. Bellovich, Mr. Canarecci, Mr. Mammolenti.** Thus, it becomes **ORDINANCE NO. 5640**

(Deferred Comp Matching Plan)
(Assigned to Budget and Finance Committee)**

Mr. Canarecci reported the Budget and Finance Committee recommended this proposed ordinance should be presented to the council as a whole. This is signed by the entire committee upon a second by Mr. Banicki motion carried.

Rebecca Miller, City Controller explained this was necessary and required by the state to set up the matching plan. She continued to say the match was a 401A. Ms. Miller said employees need to set up their 457B, with the 401A the city would match 100% up to 1% of their base pay.

Mr. Canarecci said when they went over the budget, they budgeted a high participation rate. He asked did Ms. Miller have any idea if the participation rate was as high as they estimated. Ms. Miller said she had no idea but she expects it could be.

Mrs. Voelker asked Ms. Miller to explain the eligible classes of employees who were not covered by the participating employers defined benefit retirement plan. Ms. Miller said seasonal and part-time employees were not eligible.

Question was called for at 7:46 P.M. for **PROPOSED ORDINANCE NO. 2018-35**

 **Vote: Motion carried by unanimous roll call vote (summary: Yes = 9). Yes: Mrs. Voelker, Mr. Compton, Mr. Tanner, Mr. Deal, Mr. Banicki, Mr. Emmons, Mr. Bellovich, Mr. Canarecci, Mr. Mammolenti. Thus, it becomes ORDINANCE NO. 5641**

CITY CLERK
MISHAWAKA, IN

The undersigned Appellant respectfully shows the Board:

Petitioner is the owner of the following described real estate located in the City of Mishawaka, St. Joseph County, State of Indiana, to-wit:

Common Address: 236 W. Edison Road
Mishawaka, IN. 46545

(accurate legal description of the property is attached.)

The above described real estate presently has a zoning classification of C-1 General Commercial
District under the Zoning Ordinance of the City of Mishawaka.

Petitioner presently occupies *(or proposes to occupy)* the above described property in the following manner:
Multi Tenant Building, including a restaurant, massage studio, drivers education school, etc.

4. Petitioner desires to:
Open and operate an Artist studio/gallery, which will include tattooing. Suite #2, or suite #7. (2 preferably)

The Zoning Ordinance of the City of Mishawaka requires: *(State what Mishawaka Code requires along with the Section Number.)*

A conditional use for Tattoo establishments per Section 137-301 (B).

Explain:

1. Why the approval will not be injurious to the public health, safety, morals and general welfare of the community;

The business owner/operator (Amber Olsen) has been a tattoo artist for 10 years. She has held a professional tattoo license in St Joseph County for the last 8 years. Amber has also been Blood Borne Pathogen Safety certified for 10 years.

Along with her tattoo certifications, Amber also holds an Associates in Arts degree from South Western Michigan College, and prides herself in being a well rounded, and professional artist.

2. Why the use and value of the area adjacent to the property included in the conditional use permit will not be affected in a substantially adverse manner;

Any changes to the property will increase its value due to the nature of the proposed build out. A variety of commercial businesses would thrive in the space provided, should we decide to leave. Nothing proposed will hinder the conditional use of this space.

3. If adequate conditions will be stipulated to mitigate any potentially adverse impact of the conditional use permit upon adjacent property;

The proposed space is hidden from the street. And no tattooing would be visible from the street/parking area. We have no intentions of putting up any type of inappropriate/immoral signage or promotional images anywhere around the publicly visible location.

4. If adequate measures have been taken to provide proper utilities, drainage, paved access roads, landscape buffering, fencing, leakproof dikes, safety precautions, and to minimize traffic congestion; and

The existing building was built in 1980, and is currently up to code and in operation.

5. Why the granting of the conditional use permit is in the best interest of the community.

The space in question has been vacant for some time now. This will bring new business and traffic to the plaza, especially since Amber is already a well know artist with a large clientele base. Her appointments are currently booked until March of 2019, which guarantees visitors to the area.

Also, as stated before, any changes made to the property will be appealing to any commercial business looking to lease the space after the proposed occupant.

Wherefore, Petitioner prays and respectfully requests a hearing on this application and that after such hearing the Board grant the requested Conditional Use Permit.

The City recognizes the Mishawaka Fire Department as the sole provider of paramedic and ambulance services other than mutual aid agreements.

ARTICLE IV

Rights of Management

Section 1 - General

Except as otherwise provided in this Agreement, or applicable federal or state law, the City in the exercise of its functions of management shall have the right to decide the policies, methods, safety rules, direction of employees, assignment of work, contracting of work, equipment to be used in the operation of the Fire Department, and to determine the hours of work, the right to hire, discharge, suspend, discipline, promote, demote, and transfer firefighters; it is agreed that the enumeration of the above management prerogatives shall not be deemed to exclude other prerogatives not enumerated. Section 2 – Late-to-Work Clause

In any twelve (12)-month period, a firefighter who has been late five (5) times will be given a warning letter advising the firefighter that the sixth (6th) time late will result in a fine equal in amount to loss of one-half (1/2) day's pay, the seventh (7th) time late will result in a fine equal in amount to loss of one (1) day's pay and the eighth (8th) time late will result in the firefighters referral to the Board of Public Works and Safety for disciplinary action.

ARTICLE V

Dues and Deductions

The City shall deduct, as dues, from the pay of each firefighter from whom it receives a written authorization to do so, the required amount for the payment of Union dues, fees, and assessments. Such sums, accompanied by a list of employees who have authorized such deductions and from whom no deductions were made and the reason therefore, shall be forwarded to the Union Secretary-Treasurer within thirty (30) days after such collections have been made.

All firefighters, covered by this contract, who are not members of the Union, shall pay a monthly representation fee to the Union in an amount equal to the actual cost to the Union of its representation of all unit employees, but in no event to exceed the monthly dues and assessments of Union members. The City shall have no obligation to collect the non-union member representation fee. The Union shall indemnify the City for any costs or expenses arising out of a suit or claim against the City brought by a non-union member relating to this Article.

ARTICLE VI

Section 1 - General

Employees and their Union representatives shall have the right to join the Union, to engage in lawful concerted activities for the purpose of collective negotiation or bargaining or other mutual aid and protection, to express or communicate any views, grievance, complaint, or opinion related to the conditions or compensation of public employment or their betterment, all free from any and all restraint, interference, coercion, discrimination, or reprisal, except as limited by the laws of the City of Mishawaka, State of Indiana, or the United States of America.

Section 2 - Released Time

Officers and other representatives of the Union shall be afforded reasonable time during working hours without loss of pay to fulfill their Union responsibilities, including negotiations with

the City, processing grievances, and administrating and enforcing this Agreement; provided, however, if such activities cause the Department strength to fall below the minimum required under this Agreement notwithstanding any provisions herein to the contrary, any firefighter called in to maintain the minimum department strength shall be compensated by receiving two (2) hours off duty without loss of regular pay for each hour actually worked and the call-in guarantee of four (4) hours work for four (4) hours pay shall not apply; provided further, that regardless of the number of such hours actually worked.

Notwithstanding any provisions herein to the contrary, any firefighter with less than or equal to two hundred (200) hours in his/her compensatory time bank called in to maintain the minimum Department strength shall be compensated by receiving two (2) hours off duty without loss of regular pay for each hour actually worked and any firefighter with more than two hundred hours in his/her compensatory time bank called in to maintain the minimum Department strength shall be compensated by receiving overtime pay. The Union shall be responsible for maintaining the call-in list and furnishing substitute manpower for firefighters released from duty under this Article.

Section 4 - Meetings

The Union may schedule meetings on Fire Department property, insofar as such meetings are not disruptive of the duties of the employees or the efficient operation of the Fire Department.

Section 5 - Union Activities

The President and respective representatives of the Union, not to exceed four (4) persons, shall be allowed time off with pay to attend Union conventions and seminars subject to the approval of the Fire Chief or the Board of Public Works and Safety of the City; provided, however, if such activities cause the Department strength to fall below the minimum required under this Agreement notwithstanding any provisions herein to the contrary, any firefighter with less than or equal to two hundred (200) hours in his/her compensatory time bank called in to maintain the minimum Department strength shall be compensated by receiving two (2) hours off duty without loss of regular pay for each hour actually worked and any firefighter with more than two hundred (200) hours in his/her compensatory time bank called in to maintain the minimum Department strength shall be compensated by receiving overtime pay. The call-in guarantee of four (4) hours worked for four (4) hours pay shall not apply. The Union shall be responsible for maintaining the call-in list and furnishing substitute manpower for firefighters released from duty under this Article.

ARTICLE VII

Wages

Section 1 - General

The salary schedule attached hereto as Exhibit "A" shall be effective January 1, 2018 and shall be amended from time to time by action of the Common Council of the City of Mishawaka, Indiana.

Section 2 - Overtime Pay

(a) Overtime pay shall be paid to all 56-hour employees (firefighters other than Fire Marshals) for all work in excess of their regularly scheduled work day (24 consecutive hours). Such overtime shall be paid at the rate of time and one-half of the employee's prevailing hourly rate, provided, however, that all overtime worked on Sundays and holidays shall be paid at the rate of twice the employee's prevailing hourly rate. Double-time is calculated for any overtime worked between 0700 hrs. on Sundays or a holiday until 0700 hrs. the following day.

(b) Overtime pay shall be paid to all 40-hour employees (Fire Marshals) for all work in excess of 40 hours per week. Such overtime shall be paid at the rate of time and one-half of the employee's prevailing hourly rate, provided, however, that all overtime worked on Sundays and holidays shall be paid at the rate of twice the employee's prevailing hourly rate.

(c) An employee's prevailing hourly rate shall be determined by dividing their annual salary by 2,912. This calculation shall include the Pension Equalization Plan Payments to the civilian firefighter/paramedics.

(d) Call-In Pay. When a firefighter is called in to work partial or emergency duty, the firefighter will be guaranteed a minimum of four (4) hours work or four (4) hours pay at overtime rate and any additional fraction of an hour over fifteen (15) minutes shall constitute one (1) hour. When a firefighter is called for a twenty-four (24)-hour overtime, the firefighter will be guaranteed twenty-four (24) hours pay at the overtime rate for that day. When a firefighter is mistakenly offered a prescheduled twenty-four (24)-hour overtime, management reserves the right to retract

said offer and that member will be guaranteed four (4) hours overtime pay and regain their original place on the twenty-four hour overtime list.

(e) In the event a firefighter is held over their regular work shift, the firefighter shall receive regular overtime pay in increments of one-half (1/2) hour but shall not be guaranteed a minimum of four (4) hours work or four (4) hours pay. By way of example, if a firefighter is held over thirty-one (31) minutes, the firefighter shall be paid for one (1) hour of overtime at the regular overtime rate.

Section 3 - Overtime Pay for Specialty Positions

(a) The City will keep an updated list of those firefighters taking part in the Water Surface Rescue and Recovery Program, Dive Team Program, Tactical Rescue Team and Mechanics.

(b) All firefighters shall have an equal opportunity to attend special schooling for the specialty programs listed above. Firefighters attending such schooling shall be reimbursed for expenses reasonably incurred in the attendance at such schooling and shall be compensated, as if on duty for attendance at such schooling on the firefighter's regularly scheduled day off.

(c) In the event a firefighter is ordered or subpoenaed and appears during off-duty hours before a court, administrative body, or at the County Prosecutor's Office, pertaining to incidents involving the Fire Department, the firefighter shall receive overtime pay. The firefighter shall receive pay for the actual amount of time spent but not less than two (2) hours at the overtime rate of pay. A firefighter who is the subject of a disciplinary hearing shall not be entitled to the benefits provided in this subsection. The firefighter's overtime will be figured less any compensation received from the Courts, attorneys, insurance companies, or any other third party.

Section 4 - Two Thousand Dollars (\$2,000.00) Wage Difference

No less than a two thousand dollar (\$2,000.00) wage difference between the rank of 1st class firefighter and the rank of master firefighter shall occur. Said wage difference between these two ranks shall be maintained in future wage agreements.

Section 5 - Pension Equalization Pay for Non-77 Pension plan Members

For those civilian firefighter/paramedics who do not qualify or do not elect to become members of the 1977 pension fund, the pension equalization pay (PEP) will be offered to the employees as additional wages. The PEP shall be payable in twenty-six (26) equal biweekly pay periods with the regular payroll. The annual PEP will be a combination of a base of three thousand three hundred dollars (\$3,300) and an additional one hundred dollars (\$100) for every full year of continuous service completed by January 1st of each year.

Section 6 - Renegotiation of Wages

It is understood and agreed by the parties hereto that any wage provision contained in this Agreement may be modified at any time by renegotiation with the members of the Common Council of the City of Mishawaka, Indiana. The Common Council and the Union must agree to such renegotiation, and the refusal of either to reopen negotiations for wages shall not be considered a breach of this Agreement or a breach of any other duty or obligation of either.

ARTICLE VIII
Hours of Employment

Section 1 - Work Schedule

(a) The Platoon system shall be a three-platoon system consisting of three shifts. A work day consists of 24 consecutive hours starting at 0700 hours. (b) For Fire Marshals, the regular work week shall be thirty-six (36) hours consisting of four (4) days at nine hours per day. Each Fire Marshal shall be entitled to either Monday or Friday off. There shall be no more than three (3) Fire Marshals.

Section 2 - Trading Days

(a) Subject to the approval of the Assistant Chief or the Assistant Chief's designee, and the department being able to meet and maintain minimum manpower requirements, firefighters shall be permitted to voluntarily trade scheduled work and unpicked random days. Random days traded will be used like any other random day would be, with one exception, it does not carry any seniority when a three (3)-week posting is necessary. Firefighters will not be allowed to "borrow" time from the City.

(b) Anytime a firefighter is scheduled to work a trade day and is unable to do so, due to injury or extended illness, said firefighter shall make every attempt to cover the shift. The firefighter shall send out a department-wide email asking for another firefighter to cover the shift, as well as put out a department-wide request for a firefighter to cover the shift on the department's scheduling software in use at the time.

ARTICLE IX

For purposes of this agreement, the holidays shall be as follows:

New Year's Day

New Year's Eve Day

Good Friday

Easter Sunday

Memorial Day

Independence Day

Labor Day

Thanksgiving Day

Friday after Thanksgiving Day

Christmas Eve Day

Christmas Day

3rd Saturday in August Fallen Firefighter

Any firefighter wishing to observe a moment of silence on Patriot Day may do so, so long as the exercise of such does not interfere with the performance of duties or risk public safety.

ARTICLE X

Vacations and Leave

Section 1 – Vacation Eligibility

- (a) All firefighters, except Fire Marshals, will accrue vacation and random time according to the following chart:

VACATION

YEARS OF SERVICE

20+	x	x	x	x	x	x	3		21

(b) After the vacation selection process is completed all remaining random days may be taken in twelve (12)- or twenty-four (24)-hour increments.

Section 2 – Vacation Selection

(a) (1) Firefighters may not at any time select a day for vacation or random leave if doing so would reduce the shift strength for that day below the minimum firefighting work force due to other firefighters' vacation and random-leave selections. Firefighters on sick leave shall not be counted in determining shift strength. Firefighters signed up for education leave shall not be counted in determining shift strength until seven (7) calendar days prior to the start of the class, except that firefighters attending a class that lasts longer than fourteen (14) calendar days shall not be counted in determining shift strength.

(2) Each shift will select vacation independent of the other two shifts. Vacations shall be selected on the basis of seniority.

(3) During the first round of selections, firefighters with more than five years of service must select six consecutive work days of vacation (a "two-week vacation"). Firefighters who have completed less than five (5) years of service must select at least four (4) vacation days consecutively, but not more than six (6).

(b) Up to four (4) firefighters per shift shall be eligible on the basis of seniority to select simultaneous two-week vacations without regard to any conflict caused by conditions in scheduling.

(c) Vacation schedules shall be posted by the Fire Department Management by December 1st of each year. Vacation selection shall commence one full cycle after January 1st, and be completed by the end of the 3rd day of that cycle. Each firefighter must be prepared to select their vacation on any day of that cycle, between 0700 and 2000 hours, unless other written arrangements

that do not conflict with the seniority process are made ahead of time with copies going to the Chief or representative and the Union Executive Board. A firefighter who fails to select their vacation during this time will be passed and shall go to the bottom of the vacation selection list. Available days for vacation or random leave are any days beginning between January 2 and January 1 of the following year that the firefighting workforce does not drop below the minimum manpower requirements in Article XIX.

(d) After all firefighters have selected vacations during the first round, the Fire Department During each round of selections after the first round, firefighters may only select up to three workdays per round. Each subsequent selection round will start on the fifth calendar day after the previous round ended (so there will be four calendar days between rounds). After the final vacation-selection round, there will be another round during which firefighters will select one random-leave day based on seniority. All other random-leave days are available on a first-come-first-serve basis.

(e) Any firefighter who splits their two-week vacation in the first round will pick their remaining days from their split two-week vacation as if they were random-leave days (i.e. on a first-come-first-served basis). So if a firefighter chooses to let their vacation become random, they give up seniority selection rights.

(f) When a firefighter is transferred from one shift to another, after vacations are picked, their vacation pick will transfer with them, within one (1) or two (2) work days of the original pick, with the firefighters having the choice of moving forward or backwards of their original vacation pick, it is also understood that if a contractual day(s) or earned time, that was chosen separately becomes the firefighter's regular day off, due to a transfer, they will have the choice to move that day forward or backwards. As an alternative, a firefighter may select another day, as long as the day is available and within the same calendar year.

(g) In the event days become available that were not available at the posting of the random day list, those days and only those days will be posted separately at each station and made available to be picked by seniority after a three (3)-week posting period. Any firefighter interested in such days must

notify management within the three (3)-week posting period by signing the posting list at their station. Any days not selected shall be granted on a first come, first serve basis. If a day becomes available within the three (3)-week posting period, it shall be posted as set forth above and the firefighter will be notified one (1) shift day prior to the day in question.

Section 3 - Vacation Eligibility – Fire Marshal Division

Vacation time shall inure to the benefit of the Fire Marshal Division based upon their appointment to the Fire Department as follows:

(a) Fire Marshals having completed one (1) year of service, but less than two (2) years, shall receive four (4) work days of vacation.

(b) Fire Marshals having completed two (2) years of service, but less than five (5) years, shall receive eight (8) days of vacation.

(c) Fire Marshals having completed five (5) years of service, but less than twelve (12) years shall receive fifteen (15) work days of vacation.

(d) Fire Marshals having completed twelve (12) years of service, but less than seventeen (17) years of service shall receive twenty (20) work days of vacation.

(e) Fire Marshals having completed seventeen (17) years of service, but less than twenty-five (25) shall receive twenty-six (26) work days of vacation.

(f) All employees assigned as Fire Marshals shall receive 2 random days in addition to their vacation days.

(g) All employees assigned as Fire Marshals will have their vacation selections approved by the Fire Chief.

ARTICLE XI

Seniority, Layoff, Recall and Lateral Transfer

Section 1 – Seniority, Layoff and Recall

(a) Seniority shall be determined by the date of the firefighter's appointment to the Department. If more than one (1) firefighter has the same date of appointment, then seniority shall be determined alphabetically.

(b) A "lay-off" is hereby defined to be a necessary reduction of the work force of the Fire Department. Lay-offs shall be made in the reverse order of seniority; that is, the firefighter with the least seniority shall be laid off first and the firefighter with the most seniority shall be laid off last.

(c) A "recall" shall be an increase of the work force with the Fire Department following a lay-off. Recall shall be by seniority with the firefighter with the most seniority being the first individual to be recalled and the firefighter with the least seniority being the last individual to be recalled.

(d) In the event of a personnel reduction, no new employees shall be hired until all laid off employees are recalled or have refused to return to work.

(e) If any position on the Fire Department presently being performed by a firefighter is performed by a civilian or volunteer help, no firefighter shall be laid off as a result.

ARTICLE XII

Sick Leave

Section 1 – Firefighter

During illness, a firefighter's pay shall continue subject to the right of the Board of Public Works and Safety to require a physician's statement confirming the firefighter's illness and their inability to perform their duties. Medical disabilities shall be determined by the firefighter's pension board. Medical disability for a Civilian Firefighter/Paramedic shall be determined by the City's designated physician.

Section 2 – Work-Related Injury – Civilian Firefighter/Paramedic

The City will provide a disability and income program for civilian firefighter/paramedics. This insurance benefit shall continue in effect until such time as a similar disability insurance program for municipal civilian firefighter/paramedics shall be established and funded by the Federal government, the State of Indiana, or some other governmental agency.

ARTICLE XIII

Funeral Leave

In case of death in the firefighter's immediate family (meaning parent, spouse, grandparent, grandchild, parent-in-law, brother, sister, sister-in-law, brother-in-law, child or stepchild), a firefighter shall receive upon request, two (2) consecutive work days off without loss of regular pay, to make preparations for and attend, the funeral and burial of such relative and to attend to any necessary business or legal matters of the decedent or their estate. In addition, the Fire Chief shall have the right to grant, in appropriate cases and at their sole discretion, additional days off work for funerals.

The same right to funeral leave as set forth above shall be applicable in cases of death to an aunt or uncle of the firefighter, to a firefighter's nieces and nephews, to the aunts, uncles, nieces and nephews of the firefighter's spouse, and the grandparents of the firefighter's spouse. In such instances, the leave shall be only one (1) work day off without loss of regular pay. A firefighter who serves as a pallbearer in any funeral shall be entitled to whatever time off is needed on the day of the funeral to serve as a pallbearer without loss of pay. This does not apply to a firefighter that is on a pallbearers list. For Fire Marshals, the days off provided for in the above section shall be three consecutive eight (8)- or nine (9)-hour work days only.

Funeral leave under this Article XIII shall be taken at the time the death occurs. If a firefighter is on vacation when the death giving rise to the funeral occurs, the firefighter shall not be entitled to take the funeral leave as an extension to their vacation.

ARTICLE XIV

Insurance

Section 1 - Life and Accident

The City shall maintain in effect for each firefighter a life insurance policy of Fifteen Thousand (\$15,000.00) Dollars double indemnity.

The City shall also provide a \$50,000.00 life insurance policy for each civilian firefighter/paramedic in the event they are killed in the line of duty; provided, however, if federal or state legislation is passed providing such coverage, as in the instance of the police and firemen, then the City need not provide such coverage. Such a policy must include coverage for death by disease contracted in-the-line-of-duty.

Grievance Procedure and Arbitration

(a) A "grievance" is defined to mean any difference that may arise between the parties or between the City and a firefighter covered by this Agreement as to any matter involving interpretation, meaning, application or violation of any of the provisions of this Agreement. A "grievant" is defined as any firefighter employee covered by this Agreement, group of firefighter employees or the Union.

1. It shall first be the responsibility of the grievant to reduce the grievance into writing within thirty (30) days after it arises and present it to the Chief.

2. If the grievance is not resolved after a period of thirty (30) days after being presented to the Chief or acting Chief, the written grievance shall be presented to the City's Board of Public Works and Safety within ninety (90) days for determination and settlement.

3. If the grievance is not settled by the Board of Public Works and Safety within fourteen (14) days to the satisfaction of the grievant, then the matter may be submitted to arbitration in accordance with the terms and conditions set forth below.

(b) The establishment of this method of arbitration shall not in any way whatsoever be deemed to be a recognition by the City of compulsory arbitration as a superior method of settling labor disputes, but rather shall be deemed to be a recognition solely of the necessity to provide an alternative method or mode of settling labor disputes where employees must, as a matter of public policy, be denied the usual right to strike. Therefore, in the event that the grievant and the City are unable to satisfactorily resolve a grievance before the Board of Public Works and Safety, either party may send written notice of a demand for arbitration to the other party and the dispute shall be submitted to arbitration before an impartial arbitrator selected as provided below.

If within ten (10) days after the notice of the demand for arbitration, the parties are unable to agree upon an arbitrator, then the grievant may request the American Arbitration Association or Federal Mediation and Conciliation Service to submit a panel of names and the selection of the

arbitrator made by alternately striking names from the panel. The impartial arbitrator shall hold hearings upon the issues, make such investigations as shall be deemed necessary to a proper decision and render such decision in writing. The decision of the arbitrator shall be final and binding upon the parties. The arbitrator is authorized to conduct such hearing in an informal manner and without recourse of the technical, common-law rules of evidence required in judicial proceedings. Every person who is a party to such proceeding shall have a right to submit evidence in open hearing and shall have the right of cross-examination. Hearings may be held at any place in the county agreed to by the parties or in the absence of agreement, as determined by the arbitrator.

(c) The arbitrator's fees and necessary expenses of arbitration shall be borne equally by the Union and City. However, it is understood and agreed that such fees and expenses shall not include attorney's fees of either party.

ARTICLE XXI

If any provision of this agreement, or application thereto to any person or circumstances, is held unconstitutional or otherwise invalid, the remaining provisions of this Agreement and the application of such provisions to other persons or circumstances other than those to which it is held invalid, shall not be affected thereby.

ARTICLE XXII

(3) Forward immediately any or all suit papers, demands, notices, summons, complaint or other process received by such firefighter or their representative to the City's attorney.

(4) Cooperate with the City in the conduct, defense or settlement of any legal proceeding and additionally grant the City the right to free access and use of all hospital, medical and doctor's records and reports as to any firefighter's physical or mental condition in the conduct, defense or settlement of any legal proceedings.

After completing seven (7) years assigned to an ambulance, an individual may request in writing to the Chief to be assigned to a fire-suppression vehicle. The firefighter making the request will have first priority for the next available fire-suppression-vehicle opening. Management will accommodate requests for transfer from full-time ambulance duty prior to seven (7) years, subject to manpower restrictions.

- (b) Firefighter must call Officer in Charge within the first two (2) hours and give their status as to if he/she will be returning to work in the next two (2) hours.
- (c) Once the emergency is taken care of and the firefighter's presence is no longer needed, they shall return to work.
- (d) The Officer in Charge will call in overtime if below the minimum manpower and it is determined that the firefighter on emergency leave will not be returning to work within the four (4)-hour time frame set forth above.
- (e) Any added days needed, the firefighter is required to make their own arrangements, such as, to trade days, take vacation days, or arrangements made through the Chief.

ARTICLE XXIX

Overtime Call-In Procedure

Section 1 - Purpose of Article

- (a) For regular overtime to maintain Article XIX, Section 1, for twenty-four (24)-hour, partial, and ordered-to-work overtime.
- (b) Overtime is to be offered to firefighters in a uniform manner of rotation based on last date of accepted overtime. A master overtime list will be maintained by the Officer in Charge for twenty-four (24)-hour, partial, and ordered-to-work overtime
- (c) Overtime will be managed by an automated system agreed upon by Union and Management.
- (d) In the event of a disagreement on which automated system to use or of automated technology failure, the Officer in Charge will default to manual calling of overtime based on last accepted overtime date.

Section 2 - Call-In Procedure

- (a) All members will be defaulted as not available for overtime, except for the ordered-to-work list, where all members will be defaulted to available. Each member will be responsible to log into the automated system and mark the dates they would be available for overtime. Firefighters are not required to accept the overtime if it is offered; however, members are encouraged to only mark themselves available for dates they will accept overtime.
- (b) Overtime will be managed from three (3) lists of the members that mark themselves available each day: twenty-four (24)-hour, partial, and ordered-to-work.
- (c) If an available overtime slot is for a Lead Paramedic position, it must be designated as such during the overtime call-in procedure and filled before other overtime can be filled.

- (d) All twenty-four (24)-hour overtime slots will be filled before partial overtime slots. A partial overtime is any overtime that originates as less than twenty-four (24) hours and will be filled from the partial overtime list.
- (e) If a member is working a partial overtime slot and another partial overtime slot becomes available during that day, the member working the partial overtime will have the option to extend their partial overtime to fill the new partial overtime slot that is needed. If that members declines to work the new partial overtime slot, a new call out for partial overtime will begin.
- (f) Members will have the option to accept the twenty-four (24)-hour overtime slots as noted: 24 hours, first 12 hours, second 12 hours, decline. Overtime that originates as a twenty-four (24)-hour overtime will continue to be filled from the twenty-four (24)-hour overtime list. (i.e., if a member accepts twelve (12) hours of a twenty-four (24)-hour overtime slot, the remaining twelve (12) hours will continue to be filled from the twenty-four (24)-hour overtime list.)
- (g) Members will maintain their place on the overtime list if they turn down an offer to work overtime. When a member accepts an overtime assignment they will be placed at the bottom of the overtime list.
- (h) Each member will have the option of being contacted via phone call, text message, or email.
- (i) For overtime occurring the same day of the overtime needed automated system shall wait two (2) minutes between calls. For any prescheduled overtime the automated system will wait five (5) minutes between contacting members to allow for that member to respond before moving on to the next member on the list. After the initial contact, the overtime may be accepted until secured.
- (j) Each shift Officer in Charge will secure their own shift overtime needed for the next shift day.
- (k) If a member calls in sick creating a need for an overtime slot, that slot will be filled

as soon as possible by the Officer in Charge.

(l) If an overtime slot is not able to be secured from the list of members available, the automated system will send out a master overtime request to all members on the department. The first person to respond to that request will be awarded that overtime. That member will then be moved to the bottom of the list.

(m) If after the master overtime request, the overtime slot is still not secured, the overtime slot shall be offered to the Fire Marshals, offered first to the Fire Marshal who has least recently worked overtime, then to the next least recently, and so on. If no Fire Marshals accept the overtime slot, the Officer in Charge may “order” someone to work the vacancy. The Officer in Charge shall maintain an “ordered-to-work” record and shall rotate this duty equally among all Fire Department personnel. Ordered-to-work shall be offered by reverse seniority. Any firefighter that is ordered to work shall maintain their place on the voluntary overtime list and be moved to the bottom of the “ordered-to-work” list. Any employee that works “ordered-to-work” overtime shall only be mandated to work twelve (12) hours maximum as a result of that “order to work”. Members cannot be “ordered to work” if it coincides with a vacation day, random day, or SC day.

(n) If there is a need for “Emergency Overtime” during a multi alarm incident, the Officer in Charge will send out an “Emergency Overtime” request via the automated system to all members of the Fire Department. Members can accept this “Emergency Overtime” on a first-come, first-served basis. Members who accept this “Emergency Overtime” will not be moved on the voluntary overtime list.

ARTICLE XXX

Bill of Rights

All firefighters who are members of the bargaining unit on full-time active duty shall be entitled to the protection of what shall hereafter be termed as the "Mishawaka Firefighters Bill of Rights."

1. All firefighters shall have the right to Union representation selected from a list prepared by the Union during any interview or questioning involving a disciplinary matter.

2. When for any reason any firefighter is under investigation by the City for conduct which results in dismissal, criminal charges or suspension for more than five (5) days (40 hours) the following rules are hereby established and shall be followed to insure such investigations are conducted in a manner conducive to public confidence, good order and discipline while, at the same time, observing and protecting the individual rights of each firefighter:

(a) Advance Notice - Prior to being interviewed, a firefighter shall be:

(i) Informed in writing of the nature of the investigation; informed of other information necessary to reasonably apprise them of the nature of the allegations of the complaint, including the date, time and location of the occurrence;

(ii) If prior to or at any time during the interrogation of a firefighter, it is determined that he/she may be charged with a criminal offense or be suspected of being implicated in a criminal offense, they shall be immediately informed of their constitutional rights and the investigation shall be terminated unless the firefighter chooses to waive their constitutional rights of self-incrimination;

(iii) Afforded an opportunity and facilities to contact and consult privately with an attorney of their choosing and/or representative of the Union;

(iv) Whenever a delay in conducting the interview will not jeopardize the successful accomplishment of the investigation or when criminal culpability is not an issue, advance

notice shall be given the firefighter not less than twenty-four (24) hours before the initial interview commences or written reports are required from the firefighters.

(b) Interview Safeguards - Any interview of a firefighter shall be when the firefighter is on duty unless the seriousness of the complaint dictates otherwise.

(i) Interviews shall take place at the firehouse facility, or elsewhere if mutually agreed, unless the emergency of the situation necessitates otherwise.

(ii) The firefighter may have a Union representative and/or attorney present to witness the interview. However, the interview may not be unduly delayed awaiting an unavailable Union representative when other Union representatives are available.

(iii) An attorney or representative chosen by the firefighter must be, depending upon the seriousness of the investigation and the need for immediate action, available within a reasonable period of time and under no circumstances will any interrogation session be delayed more than twenty-four (24) hours because of the unavailability of the attorney or representative chosen by the firefighter. However, no matter how extreme an emergency exists, no interrogation shall take place until the firefighter shall be given a minimum of three (3) hours to obtain the services of a representative and/or attorney.

(iv) During the interrogation of the firefighter, the attorney or representative shall not make any statements or objections of any kind to the investigator nor will they in any way impede the interrogation but will restrict their remarks to conferring with the firefighter. The representative's failure to object to a question shall not constitute a waiver of their ability to later object to any questions asked.

(v) Interviews shall be done under circumstances free of intimidation or coercion and shall not otherwise violate the firefighter's constitutional rights. The firefighter shall not be subjected to offensive or abusive language. No promise or reward shall be made as an inducement to answer questions.

(vi) Interviews shall not be overly long. The firefighter shall be entitled to

reasonable intermissions as they shall request for personal necessities, telephone calls, rest periods, with one (1) ten (10) minute intermission every hour, if they request.

(vii) All interviews shall be limited in scope to activities, circumstances, events, conduct or acts which pertain to the subject of the investigation.

(viii) Investigations shall be concluded without delay.

(c) Charges Filed

(i) The firefighter will be furnished with a copy of the summary report of the internal investigation which will contain all material facts of the matter.

(ii) The firefighter will be furnished with the names of all witnesses and complainants who will appear against the firefighter and/or whose statements will be used against them.

(d) Resulting Disciplinary action

(i) When the investigation results in a determination of a sustained complaint, only the findings will be placed in the firefighter's personnel file, unless the firefighter requests inclusion of the complete record.

(ii) No dismissal, demotion, or other punitive measures shall be taken against the firefighter unless they are notified of the action and a reason for such action prior to the effective date of such action.

3. Personal Privileges

(a) No firefighter shall be required for purposes of assignment or other personnel action to disclose any item of their property, income, assets, source of income or personal or domestic expenditures including those of any member of their family, unless such information is obtained pursuant to proper legal process or tends to indicate a conflict of interest with respect to the performances of their official duties.

(b) No firefighter shall have their residence, private place of business, if any, private

vehicle or locker space assigned to them by the Fire Department searched unless a valid search warrant is obtained or they voluntarily agree to such search.

(c) No member of the immediate family of the firefighter shall be required to give a statement to the investigator and prior to requesting any member of the immediate family of the firefighter to give a statement, the firefighter shall be given notice of such intended request and the firefighter shall be given an opportunity to confer with that family member before that family member shall be asked to give a statement.

4. Political Activities - No firefighter shall be prohibited from engaging in political activities except when on duty.

Said firefighter shall be informed of the proposed destruction before it takes place.

(ii) Sustained complaints may be kept in the personnel file for a period of three (3) years at the end of which time they shall be destroyed, in the presence of the firefighter who is the subject thereof, if they so desire, provided, however, the personnel file shall nevertheless contain a summary record of discipline setting forth the appropriate dates, charges, findings and penalty imposed.

(b) A firefighter shall have the opportunity, at a reasonable time during office hours, to review their active file and any closed investigative file in which they were the accused. In the event there is any comment adverse to their interests in their personnel file, the officer shall have the right to file a written response thereto, which written response shall be attached to said adverse comments; and, additionally, they shall have the right to file a grievance in regard to any such matter which is of such gravity that it could affect their promotional opportunities, which grievance shall then be processed in accordance with grievance procedures.

The firefighters making contact with the Officer in Charge will be awarded the emergency overtime on a first-come, first-served basis and must report as soon as possible. Once all necessary positions have been filled another mass contact will be sent out to cancel the emergency contact process. All firefighters must provide at least one working phone contact number at all times for the purpose of emergency call-in but may also provide as many contact methods as possible voluntarily.

(c) Each firefighter making contact back will be told where the Emergency is and where to report.

DEC 12 2018

CITY CLERK
MISHAWAKA, IN

Attached is a proposed form of Ordinance for consideration by the Common Council relating to the EDP Ironwood LP (the "Borrower") project to be known as the Ironwood Village Apartments Project (formerly known as Arbors at Ironwood) (the "Project"). The Common Council adopted an inducement resolution (R2018-14) on July 2, 2018, providing preliminary approval for the proposed bond financing for the Project. The Project consists of the acquisition and rehabilitation of the Arbors at Ironwood complex (located near the intersection of Ironwood and Ewing). The proposed ordinance authorizes the issuance of bonds by the City as conduit issuer and the loan of the proceeds to the Borrower to finance the acquisition and rehabilitation of the apartments. The maximum principal amount of the bonds is not to exceed \$7,800,000 as set out in the ordinance. The Borrower has filed an application with the Indiana Housing and Community Development Authority and expects final approval early in 2019.

The City's Economic Development Commission met Monday evening and conducted a public hearing and adopted its final resolution recommending that the Common Council consider adoption of the bond ordinance. A pdf of the executed EDC resolution is attached.

The City is being asked to serve as issuer of the bonds so that the bonds may be issued on a tax-exempt basis. The ordinance states that the City is not in any way responsible or at risk with respect to the payment of the principal of and interest on the Bonds. The Bondholders may only look to the Borrower for the payment of debt service. Additionally, these bonds will not affect the City's credit rating at all. The credit decisions made by the purchaser of the bonds will be solely based upon the representations made by the Borrower.

The ordinance approves the issuance of the bonds and approves the forms of the various documents that will be necessary in connection with the issuance of the bonds. Substantially final forms of those documents (the trust indenture, loan agreement, bond purchase agreement and land use restriction agreement) are attached also.

The Borrower asks that the ordinance be placed on the agenda for the Council's December 17th meeting for first reading. A representative of the Borrower and myself (serving as bond counsel) will be in attendance at the January 7th meeting of the Council to present and answer any questions. Please confirm that you have received this and that it may be placed on the agenda for the Council meeting on the 17th. Thanks! Any questions, give me a call. Randy

COMMON COUNCIL OF THE CITY OF MISHAWAKA, INDIANA,

REVENUE BONDS IN ONE (1) OR MORE SERIES IN THE AGGREGATE
PRINCIPAL AMOUNT NOT TO EXCEED SEVEN MILLION EIGHT
HUNDRED THOUSAND DOLLARS (\$7,800,000) AND APPROVING AND
AUTHORIZING OTHER ACTIONS IN RESPECT THERETO**

WHEREAS, the Common Council of the City of Mishawaka, Indiana (the "Common Council"), has previously adopted a resolution on June 25, 2018 (the "Inducement Resolution"), finding that the proposed economic development facilities project to be owned and operated by EDP Ironwood, LP (the "Borrower"), consisting of the acquisition, rehabilitation, and equipping of a 128-unit multi-family affordable housing facility to be known as Ironwood Village Apartments (formerly known as Arbors at Ironwood and Arbors at Ironwood Phase II), together with functionally related and subordinate facilities, located at 1310 Blossom Drive, Mishawaka, Indiana (the "Project"), will not have a material adverse competitive impact on other facilities of the same or similar kind already constructed or operating in the City of Mishawaka, Indiana (the "City"); and

WHEREAS, Indiana Code 36-7-11.9 and 12 (collectively, the "Act") declares that the financing of economic development facilities constitutes a public purpose; and

WHEREAS, pursuant to the Act, the City is authorized to issue revenue bonds and lend the proceeds thereof to a developer for the purpose of financing, reimbursing or refinancing the costs of acquisition, rehabilitation and equipping of economic development facilities in order to foster diversification of economic development and creation or retention of opportunities for gainful employment in or near the City; and

WHEREAS, the Act provides that such bonds may be secured by a trust indenture between an issuer of such bonds and a corporate trustee; and

WHEREAS, the Borrower has advised the City of Mishawaka, Indiana, Economic Development Commission (the "Commission") and the City concerning the Project, and requested that the City issue one or more series of its taxable or tax-exempt Multifamily Housing Revenue Bonds (Ironwood Village Apartments Project), Series 2019 (with such further series or other designation as determined to be necessary, appropriate or desirable), in an aggregate principal amount not to exceed Seven Million Eight Hundred Thousand Dollars (\$7,800,000) (the "Bonds"), under the Act and lend all or a portion of the proceeds of such Bonds to the Borrower for the purpose of paying all or a portion of the costs of the Project, funding a debt service reserve fund and/or other permissible reserves, if necessary, paying capitalized interest, if necessary and paying all or a portion of the incidental expenses incurred on account of the issuance of the Bonds; and

WHEREAS, the Commission has rendered a report concerning the proposed financing of economic development facilities for the Borrower and has been given the opportunity to comment thereon; and

WHEREAS, the Commission has considered whether the Project will have an adverse competitive effect or impact on any similar facility or facilities of the same kind already constructed or operating in the same market area or in or about the City; and

WHEREAS, pursuant to Section 24 of the Act and certain provisions of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, (the "Code"), the Commission held a public hearing on December 10, 2018, following publication of notice duly given (the "Public Hearing") for the purpose of receiving evidence and testimony on the Project and matters related to the proposed financing thereof and heard all persons interested in the proceedings and considered written remonstrances and objections, if any; and

WHEREAS, following the Public Hearing, the Commission found that the financing of the Project complies with the purposes and provisions of the Act, that such financing will be of benefit to the health and welfare of the City and its citizens through the requirements that the Project serve persons and families of low and moderate income, that the amount of tax credits to be allocated to the Project under Section 42 of the Code does not exceed the amount necessary for the financial feasibility of the project and its viability as a qualified housing project throughout the credit period for the Project, and that the Project satisfied the requirements for the allocation of a housing credit dollar amount under the Indiana Housing and Community Development Authority's qualified allocation plan; and

WHEREAS, pursuant to and in accordance with the Act, the City desires to provide funds necessary to finance all or a portion of the Project by issuing the Bonds; and

WHEREAS, the City intends to issue the Bonds consistent with the terms of this Ordinance and pursuant to a Trust Indenture, to be dated the first day of the month in which the Bonds are sold or delivered (or such other date as the officers of the City may hereafter approve) (the "Indenture"), by and between the City and a corporate trustee to be selected by the Borrower (the "Trustee"), in order to obtain funds to lend to the Borrower for the purpose of financing all or a portion of the Project, funding a debt service reserve fund and/or other permissible reserves, if necessary, paying capitalized interest, if necessary and paying all or a portion of the incidental expenses incurred on account of the issuance of the Bonds in accordance with the terms of a Loan Agreement, to be dated the first day of the month in which the Bonds are sold or delivered (or such other date as the officers of the City may hereafter approve) (the "Loan Agreement"), by and between the City and the Borrower with respect to Bonds and the Project, provided, however, that the aggregate principal amount of the Bonds shall not exceed \$7,800,000; and

WHEREAS, pursuant to the Loan Agreement, the Borrower will make certain representations, warranties and commitments with respect to the Project and will agree to make payments sufficient to pay all principal of, premiums, if any, and interest on the Bonds as the same becomes due and payable, and to pay administrative expenses in connection with the Bonds; and

WHEREAS, no member of the Common Council has any pecuniary interest in any employment, financing agreement or other contract made under the provisions of the Act and related to the Bonds authorized herein, which pecuniary interest has not been fully disclosed to the Common Council and no such member has voted on any such matter, all in accordance with the provisions of Indiana Code 36-7-12-16; and

WHEREAS, the Commission approved the terms of the following documents in substantially final form: the Indenture (including a form of the Bonds), the Loan Agreement, the Bond Purchase Agreement among the City, the Borrower and FMSbonds, Inc. (the "Underwriter") for sale of the Bonds (the "Purchase Agreement"), and the Land Use Restriction Agreement among the City, the Borrower and the Trustee (the "Land Use Restriction Agreement" and collectively with the Indenture, the Loan Agreement, and the Purchase Agreement, the "Financing Documents"), and this proposed form of ordinance, each of which were incorporated by reference in the Commission's Resolution adopted on December 10, 2018, which Resolution has been transmitted hereto; and

WHEREAS, based upon the resolution adopted by the Commission pertaining to the Project, the Common Council hereby finds and determines that the funding approved by the Commission for all or a portion of the Project will be of benefit to the health and general welfare of the citizens of the City, complies with the provisions of the Act and the amount necessary to finance all or a portion of the costs of the Project will require the issuance, sale and delivery of one or more series of the Bonds in an aggregate principal amount not to exceed \$7,800,000.

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF MISHAWAKA, INDIANA, AS FOLLOWS:

SECTION 1. It is hereby found, determined, ratified and confirmed that the financing of the economic development facilities referred to in the Financing Documents consisting of the Project, the issuance and sale of the Bonds, and the loan of the proceeds thereof to the Borrower for the purpose of financing all or a portion of the Project (i) will result in the diversification of industry, the creation or retention of business opportunities and the creation or retention of opportunities for gainful employment within the jurisdiction of the City, (ii) will serve a public purpose, and will be of benefit to the health and general welfare of the City, (iii) complies with the purposes and provisions of the Act and it is in the public interest that the City take such lawful action as determined to be necessary or desirable to encourage the diversification of industry, the creation or retention of business opportunities, and the creation or retention of opportunities for gainful employment and providing quality affordable multifamily housing within the jurisdiction of the City, and (iv) will not have a material adverse competitive effect on any similar facilities already constructed or operating in or near the City.

SECTION 2. The forms of the Financing Documents presented herewith are hereby approved and all such documents shall be kept on file by the Clerk of the Common Council or City Controller. In compliance with Indiana Code 36-1-5-4, two (2) copies of the Financing Documents are on file in the office of the Clerk of the Common Council for public inspection.

SECTION 3. The City shall issue its Bonds in one or more series, as described above, in the maximum aggregate principal amount not to exceed Seven Million Eight Hundred Thousand Dollars (\$7,800,000), with a maximum term not to exceed forty (40) years and with a maximum interest rate not to exceed eight percent (8%) per annum, for the purpose of procuring funds to loan to the Borrower in order to finance all or a portion of the Project, fund a debt service reserve fund and/or other permissible reserves, if necessary, pay capitalized interest, if necessary, and pay all or a portion of the incidental expenses incurred on account of the issuance of the Bonds. The Bonds will be payable as to principal and interest solely from payments made by the Borrower pursuant to the Financing Documents, and upon such terms and conditions as otherwise provided in the Financing

Documents and this Ordinance. The Bonds shall never constitute a general obligation of, an indebtedness of, or charge against the general credit of the City.

SECTION 4. The Mayor and Controller of the City are authorized and directed to sell such Bonds to the purchaser or purchasers thereof at a price not less than 98% of the aggregate principal amount thereof plus accrued interest, if any, at a rate of interest not to exceed eight percent (8%) per annum, and with a final maturity no later than forty (40) years from the date of the issuance of any series of Bonds. The Purchase Agreement in form and substance acceptable to the Mayor and the Controller, may be, and hereby is, approved, and the Mayor and the Controller are hereby authorized and directed to execute and deliver the Purchase Agreement in form and substance acceptable to them and consistent with the terms and conditions set forth in this Ordinance. If necessary or desirable in connection with the sale of the Bonds, each of the Mayor, the Controller and any other officer of the City is authorized to enter into a continuing disclosure undertaking agreement, in compliance with Rule 15c2-12 of the Securities and Exchange Commission (the "SEC Rule"), which will be in such a form as may be deemed necessary, appropriate or desirable by each of the Mayor, the Controller and any other officer of the City, with such to be conclusively evidenced by execution thereof by any such officer. The Mayor, the Controller, or any other officer of the City familiar with the matters with respect to the City set forth in the Official Statement is hereby authorized to certify to the underwriter of the Bonds that the information in the Official Statement with respect to the City is deemed to be final within the meaning of the SEC Rule. The Underwriter is hereby authorized to distribute the Official Statement to potential investors in the Bonds.

SECTION 5. The Mayor and the Clerk are authorized and directed to execute the Financing Documents, and the Mayor, the Controller and the Clerk and any officer of the City are authorized and directed to execute such other documents approved or authorized herein and any other document which may be necessary, appropriate or desirable to consummate the transaction contemplated by the Financing Documents and this Ordinance, and their execution is hereby confirmed on behalf of the City. The signatures of the Mayor and the Clerk on the Bonds which may be necessary or desirable to consummate the transaction and their execution are hereby confirmed on behalf of the City. The signatures of the Mayor and the Clerk on the Bonds may be facsimile signatures. The Mayor, the Controller, the Clerk and any other officer of the City are authorized to arrange for the delivery of such Bonds to the purchaser, payment for which will be made in the manner set forth in the Financing Documents. The Mayor, the Clerk and any other officer of the City may, by their execution of the Financing Documents requiring their signatures and imprinting of their facsimile signatures thereon, approve any and all such changes therein and also in those Financing Documents which do not require the signature of the Mayor, the Clerk or any other officer of the City without further approval of this Common Council or the Commission if such changes do not affect terms set forth in Sections 27(a)(1) through and including (a)(10) of the Act.

SECTION 6. The provisions of this Ordinance and the Financing Documents shall constitute a contract binding between the City and the holder or holders of the Bonds and after the issuance of said Bonds, this Ordinance shall not be repealed or amended in any respect which would adversely affect the right of such holder or holders so long as said Bonds or the interest thereon remains unpaid.

SECTION 7. It is hereby determined that the amount of the tax credits to be allocated to the Project under Section 42 of the Code does not exceed the amount necessary for the financial feasibility of the Project and its viability as a qualified housing project throughout the credit period for the Project. In making the foregoing determination, the Common Council has relied upon the representations of the Borrower. The foregoing determinations shall not be construed to be a representation or warranty by the City as to the feasibility or viability of the Project. The Common Council hereby authorizes and directs the Mayor of the City to review and make the foregoing determination again for and on behalf of the City at the request of the Borrower, following receipt of supporting materials submitted by the Borrower to the Indiana Housing and Community Development Authority ("IHCDA") and either written representations of the Borrower or of IHCDA to the effect that (i) the amount of tax credits to be allocated to the Project under Section 42 of the Code does not exceed the amount necessary for the financial feasibility of the Project and its viability as a qualified housing project throughout the credit period for the Project and (ii) the Project satisfied the requirements for the allocation of a housing credit dollar amount under IHCDA's qualified allocation plan. Such determinations shall occur on or about the date of the sale of the Bonds to the purchasers thereof and on or about the date that each building of the Project is placed in service. In reliance solely upon the representations of the Borrower, it is hereby found and determined that the Project satisfies the requirements for the allocation of a housing credit dollar amount under IHCDA's qualified allocation plan.

SECTION 8. Subject to the obligations of the Borrower set forth in the Loan Agreement, the Land Use Restriction Agreement and/or the certificates or other agreements of the Borrower to be executed upon the issuance of the Bonds, the City will use its best efforts to restrict the use of the proceeds of the Bonds in such a manner and to expectations at the time the Bonds are delivered to the purchasers thereof, so that they will not constitute "arbitrage bonds" under Section 148 of the Code and the regulations promulgated thereunder, or to preserve any other desired tax status of any series of Bonds under the Code, if necessary. The Mayor, the Controller and the Clerk, or any other officer having responsibility with respect to the issuance of the Bonds, are authorized and directed, alone or in conjunction with any of the foregoing, or with any other officer, employee, consultant or agent of the City, to deliver a certificate for inclusion in the transcript of proceedings for the Bonds, setting forth the facts, estimates and circumstances and reasonable expectations pertaining to said Section 148 of the Code and the regulations thereunder.

SECTION 9. No recourse under or upon any obligation, covenant, acceptance or agreement contained in this ordinance, the Financing Documents or under any judgment obtained against the City, including without limitation its Commission, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise, or under any circumstances, under or independent of the Loan Agreement, shall be had against any member, director, or officer or attorney, as such, past, present, or future, of the City, including without limitation its Commission, either directly or through the City, or otherwise, for the payment for or to the City or any receiver thereof or for or to any holder of the Bonds secured thereby, or otherwise, of any sum that may remain due and unpaid by the City upon any of such Bonds. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such member, director, or officer or attorney, as such, to respond by reason of any act or omission on his or her part or otherwise for, directly or indirectly, the payment for or to the City or any receiver thereof, or for or to any owner or holder of the Bonds, or otherwise, of any sum that may remain due and unpaid upon the Bonds hereby secured or any at

them, shall be expressly waived and released as a condition of and consideration for the execution and delivery of the Loan Agreement and the issuance, sale and delivery of the Bonds.

SECTION 10. The Borrower will indemnify and hold the City, including its officials, attorneys, employees and agents, free and harmless from any loss, claim, damage, tax, penalty, liability, disbursement, litigation expenses, attorneys' fees and expenses and other court costs arising out of, or in any way relating to, the execution or performance of the Financing Documents or other documents in connection therewith or any other cause whatsoever pertaining to the Project or the Bonds, including the issuance and sale of the Bonds or failure to issue or sell the Bonds or other actions taken under the Financing Documents or other documents in connection therewith or any other cause whatsoever pertaining to the Project or the Bonds arising out of a failure or breach of performance by the Borrower, all as further described in the Loan Agreement, except in any case as a result of the intentional misrepresentation or willful misconduct of the City or its agents.

SECTION 11. The Mayor, the Controller, the Clerk and any other officer of the City are each hereby authorized and directed to execute, attest and deliver such further instruments and documents and to take such further actions, in the name and on behalf of the City, as in their judgment shall be necessary, desirable or appropriate in order to fully consummate the transaction and to effect the purposes of this Ordinance, and any such instruments or documents heretofore executed and delivered and any such actions heretofore taken, be, and hereby are, ratified and approved. The Mayor or his designee is hereby authorized to enter into one or more project agreements with the Borrower, on terms and conditions acceptable to the Mayor, together with any all changes as may be necessary, desirable or appropriate, which shall be evidenced by his execution thereof.

SECTION 12. If any section, paragraph or provision of this Ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Ordinance.

SECTION 13. All ordinances, resolutions and orders or parts thereof, in conflict with the provisions of this Ordinance are, to the extent of such conflict, hereby repealed.

SECTION 14. It is hereby determined that all formal actions of the Common Council relating to the adoption of this Ordinance were taken in one or more open meetings of the Council, that all deliberations of the Common Council and of its committees, if any, which resulted in formal action, were in meetings open to the public, and that all such meetings were convened, held and conducted in compliance with applicable legal requirements, including Indiana Code 5-14-1.5, as amended.

SECTION 15. This Ordinance shall be in full force and effect upon adoption and compliance with Indiana Code 36-4-6.

(d) As soon as is reasonably possible, the Borrower shall notify the Trustee and the Issuer of the existence of any situation or the occurrence of any event of which the Borrower has knowledge, the existence or occurrence of which would violate any of the provisions of this Agreement or cause the interest on the Bonds to become includable in the gross income of the holders thereof for federal income tax purposes, including the provision to the Trustee of all notices and correspondence from the Issuer or the Internal Revenue Service with respect to compliance with the provisions hereof.

(e) This Agreement shall be recorded in the office of the county recorder of the County of St. Joseph and shall be recorded in the grantor-grantee index in the name of the Borrower as grantor and to the name of the Issuer as grantee.

(g) Neither the execution and delivery of this Land Use Restriction Agreement or any other document in connection with the financing of the Project, the consummation of the transactions contemplated hereby and thereby nor the fulfillment of or compliance with the terms and conditions hereof and thereof conflicts with or results in a breach of any of the terms, conditions or provisions of any agreement or instrument to which the Borrower is now a party or by which it is bound or constitutes a default (with due notice or the passage of time or both) under any of the foregoing or results in the creation or imposition of any prohibited lien, charge or encumbrance whatsoever upon any of the property or assets of the Borrower under the terms of any instrument or agreement to which the Borrower is now a party or by which it is bound.

(h) The execution, delivery and performance of this Land Use Restriction Agreement and all other documents to be delivered by the Borrower in connection with the consummation of the transactions contemplated hereby will not conflict with, or constitute a breach of or default under, any indenture, mortgage, deed of trust, lease, note,

commitment, agreement or other instrument or obligation to which the Borrower is a party or by which the Borrower or any of its property is bound, or under any law, rule, regulation, judgment, order or decree to which the Borrower is subject or by which the Borrower or any of its property is bound.

(i) To the best of the Borrower's knowledge, there is no action, suit, proceeding, inquiry or investigation by or before any governmental agency, public board or body pending or threatened against the Borrower (nor to the best of its knowledge is there any basis therefor), which:

(i) affects or seeks to enjoin, prohibit or restrain the issuance, sale or delivery of the Bonds or the execution and delivery of this Land Use Restriction Agreement,

(ii) affects or questions the validity or enforceability of the Bonds or this Land Use Restriction Agreement,

(iii) questions the Tax-Exempt status of the Bonds, or

(iv) questions the power or authority of the Borrower to own, acquire, construct, equip or operate the Project or to execute, deliver or perform the Borrower's obligations under this Land Use Restriction Agreement.

(j) The Borrower has or will have title to the Project sufficient to carry out the purposes of this Land Use Restriction Agreement, and such title shall be in and remain in the name of the Borrower except as otherwise permitted by this Land Use Restriction Agreement.

(k) The Project will consist of those facilities described herein, which generally are described as residential rental facilities and related facilities situated on the real property described in Exhibit A hereto. (p) Money on deposit with the Trustee in any fund or account in connection with the Bonds, whether or not such money was derived from other sources, shall not be used by or under the direction of the Borrower in a manner which would cause the Tax-Exempt Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and the Borrower specifically agrees that the investment of money in any such fund shall be restricted as may be necessary to prevent the Bonds from being "arbitrage bonds" under the Code.

(q) The Borrower (and any person related to it within the meaning of Section 147(a)(2) of the Code) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the sale of the Bonds to be applied in a manner contrary to the requirements of the Indenture, the Loan Agreement or this Land Use Restriction Agreement.

Section 3. Qualified Residential Rental Project. The Borrower hereby acknowledges and agrees that the Project will be owned, managed and operated in the same manner as a "qualified residential rental project" (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the term of this Agreement, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project will be acquired, constructed and operated for the purpose of providing multifamily residential rental property. The Borrower will own, manage and operate the Project during the term of this Agreement as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, each containing at least one dwelling unit and all of which contain dwelling units and facilities functionally related and subordinate thereto, and no other facilities, in accordance with Section 142(d) of the Code, Section 1.103-8(b) of the Regulations and the provisions of the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the dwelling units in the Project will be similarly constructed units, and each dwelling unit in the Project will contain separate and complete facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a microwave oven, refrigerator and sink.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis, or will ever be leased or rented for an initial lease term of less than thirty (30) days, nor will any part of the Project be used as a hotel, motel, dormitory, fraternity

house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park.

(d) No part of the Project has or will at any time during the Qualified Project Period be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or use, and the Borrower will not take any steps in connection with a conversion of the Project to condominium unit ownership by individual persons during the Qualified Project Period.

(e) All of the dwelling units in the Project (except for not more than one unit set aside for resident manager or other administrative use) will be available for rental during the Qualified Project Period on a continuous basis to members of the general public, on a first-come first-serve basis, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required to be leased or rented to Low Income Tenants and to the extent dwelling units have been or will be leased in accordance with HUD Section 8 Program constraints and regulations and to the extent that dwelling units are required to comply with eligibility standards in place as a result of the fact that the Development shall operate as a residential care facility.

(f) The Project will consist of one or more discrete edifices and other man-made construction, each consisting of an independent foundation, outer walls and roof, all of which will be (i) owned by the same person for federal tax purposes, (ii) located on a common tract of land or two or more parcels of land that are contiguous except for the interposition of a road, street or stream, and (iii) all of the facilities of the Project comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this provision shall not be construed to prohibit occupancy of one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) No portion of the Project shall be used to provide any airplane, skybox or other private luxury box, health club facility, any facility primarily used for gambling or any store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(i) The Project will not include a dwelling unit in a building where all dwelling units in such building are not also included in the Project.

(j) If the Project is converted to condominium or cooperative ownership, then none of the units of the Project will be sold or otherwise transferred during the Qualified Project Period.

(k) The Bonds will not be "federally guaranteed," as defined in Section 149(b) of the Code.

(l) The Project shall at all times be used and operated as an "economic development facility" as defined in the Act.

(m) The Borrower shall not discriminate on the basis of race, creed, color, sex, sexual preference, source of income (e.g., AFDC or SSI), physical disability, national origin, or marital status in the rental, lease, use, or occupancy of the Project or in connection with the employment or application for employment of persons for the operation and management of the Project.

(n) The Project is financed by the Loan or otherwise pursuant to a common plan of financing and consists entirely of:

(i) units which are similar in quality and type of construction and amenities; and

(ii) property functionally related and subordinate in purpose and size to the Project, e.g., parking areas, laundries, swimming pools, tennis courts and other recreational facilities (none of which may be unavailable to any person because such person is a Low Income Tenant) and other facilities which are reasonably required for the Project, e.g., heating and cooling equipment, trash disposal equipment or units for residential managers or maintenance personnel.

Section 4. Low Income Tenants; Reporting Requirements. Pursuant to the requirements of the Code, the Borrower hereby represents, warrants and covenants as follows:

(a) For the Qualified Project Period, no less than 40% of the total number of completed units of the Project shall at all times be rented to and occupied by Low Income Tenants. For the purposes of this paragraph (a), a vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than sixty (60) days, at which time the character of such unit shall be redetermined.

(b) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants. However, should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size must be rented to (or, held vacant and available for immediate occupancy by) a Low Income Tenant. Until such next available unit is rented to a Low Income Tenant, the former Low Income Tenant, who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant, for purposes of the forty percent (40%) of Section 4(a) hereof until the rental of an available unit of comparable or smaller size to a tenant who is not a Low Income Tenant.

(c) For the Qualified Project Period, the Borrower will obtain, complete, and maintain on file Income Certifications for each Low Income Tenant, including (i) an Income Certification dated immediately prior to the initial occupancy of such Low

Income Tenant in the Project, and (ii) thereafter, an annual Income Certification with respect to each Low Income Tenant, within thirty days before or after the anniversary of such tenant's initial occupancy of a unit in the Project. The Borrower will provide such additional information as may be required in the future by the Issuer and by the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to Tax-Exempt obligations. A copy of the most recent Income Certifications for Low Income Tenants commencing or continuing occupation of a Low Income Unit shall be attached to each report to be filed with the Issuer pursuant to paragraph (e) of this Section 4. The Borrower shall make a good faith effort to verify that the income information provided by an applicant in a Verification of Income is accurate by taking one or more of the following steps as a part of the verification process: (1) obtain a pay stub for the most recent pay period, (2) obtain an income tax return for the most recent tax year, (3) conduct a credit report search or other similar search, (4) obtain an income verification from the applicant's current employer, (5) obtain an income verification from the Social Security Administration and/or the Indiana Department of Social Services if the applicant receives assistance from either of such agencies, or (6) if the applicant is unemployed and does not have an income tax return, obtain another form of independent verification. No Income Verification shall be required for any year if during such year no unit in the Project is occupied by a new resident whose income exceeds the applicable income limit.

(d) The Borrower will maintain complete and accurate records pertaining to the Low Income Units, and will upon reasonable notice permit any duly authorized representative of the Issuer, the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project, including those records pertaining to the occupancy of the Low Income Units.

(e) For the Qualified Project Period, the Borrower will prepare and submit to the Issuer and the Trustee, no later than the fifteenth day of the first month of each calendar quarter until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project which were occupied or deemed occupied, pursuant to subsection (a) hereof, by Low Income Tenants during the preceding calendar quarter; and (ii) that either (A) no unremedied default has occurred under this Land Use Restriction Agreement or the Loan Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default.

(f) For the Qualified Project Period, all tenant leases shall be subordinate to this Agreement and the Mortgage and shall contain clauses, among others, wherein each tenant who occupies a Low Income Unit: (i) certifies the accuracy of the statements made in the Verification of Income and (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such tenant, that such tenant will comply promptly with all requests for information with respect thereto from the Borrower or the Trustee on behalf of the Issuer, and that the

failure to provide accurate information in the Verification of Income or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such tenant.

(g) Each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the Verification of Income and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit, as applicable, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification.

(h) The Low Income Units will be intermingled reasonably with all other dwelling units and on all floors in the Project and shall be of a quality, and offer a range of sizes and number of bedrooms, comparable to those units which are available to other tenants. Tenants in the Low Income Units in the Project shall have equal access and enjoyment to all common facilities of the Project.

(i) The Borrower will notify the Issuer and the Trustee, in writing, of the occurrence of any default hereunder, specifying the nature and period of existence of such event and the actions being taken or proposed to be taken with respect thereto. Such notice shall be given promptly and in no event more than ten (10) business days after the Borrower receives notice or gains knowledge of the occurrence of any such event. The Borrower further agrees that it will give prompt written notice to the Trustee if insurance proceeds or condemnation awards are received with respect to the Project and are not used to repair or replace the Project, which notice shall state the amount of such proceeds or award.

(j) The Borrower shall send to the Issuer a written Land Use Restriction Agreement compliance review on or before _____ 1 of each year, commencing _____ 1, 2019, which describes the procedures performed by the Borrower, and shall indicate whether, based on such procedures, the Borrower is and has been in compliance with the provisions of this Land Use Restriction Agreement for the prior 12-month period (or such shorter period in the case of the first such period) ending on the last day of each _____.

Section 5. Tax-Exempt Status of Bonds. The Borrower hereby represents, warrants and agrees as follows: the Borrower will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt nature of the interest on the Bonds and, if either of them should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

Section 6. Additional Requirements. In addition to the requirements set forth above, so long as any Bonds are outstanding the Borrower hereby agrees that the covenants and conditions of this Agreement shall be binding upon successors in interest of the Borrower.

Section 7. **No Compliance Duty.** Notwithstanding any provision of this Land Use Restriction Agreement to the contrary, the Issuer, the Trustee and the Borrower hereby recognize and agree that the Issuer and the Trustee shall have no compliance duty or oversight responsibility under the terms and conditions of this Land Use Restriction Agreement.

Section 8. **Modification of Covenants.** The Borrower, the Trustee and the Issuer hereby agree as follows:

(a) To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the Issuer, the Trustee and the Borrower, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Agreement, and if such requirements are applicable to the Project, this Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements.

(b) To the extent that the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the Issuer, the Trustee and the Borrower, impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Agreement, this Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the Issuer, at its reasonable discretion, the Trustee and the Borrower, and only upon receipt by the Issuer of the written opinion of Bond Counsel to the effect that such amendment will not affect the Tax-Exempt status of interest on the Bonds or violate the requirements of the Act, and otherwise in accordance with Section 22 hereof.

(c) The Borrower, the Issuer (upon the written request of the Borrower) and, if applicable, the Trustee, shall execute, deliver and, if applicable, file of record any and all documents and instruments necessary to effectuate the intent of this Section 8, and each of the Borrower and the Issuer hereby appoints the Trustee as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file of record on behalf of the Borrower or the Issuer, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if either the Borrower or the Issuer defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the Issuer or the Borrower, the Trustee shall take no action under this subsection (c) without first notifying the Borrower or the Issuer, or both of them, as is applicable, and without first providing the Borrower or the Issuer, or both, as is applicable, an opportunity to comply with the requirements of this Section 8. Nothing in this subsection (c) shall be construed to allow the Trustee to execute an amendment to this Agreement on behalf of the Issuer or Borrower.

Section 9. **Indemnification.** The Borrower hereby covenants and agrees that it shall indemnify and hold harmless the Issuer, the Economic Development Commission of the Issuer (the "Commission") and the Trustee and their respective officers, directors, officials, employees and agents as set forth in the Loan Agreement.

To the extent not included in the indemnification provisions of the Loan Agreement, the Borrower shall pay and discharge and shall indemnify and hold harmless the Issuer, the Commission and the Trustee including their respective officials, attorneys, employees and agents, free from (i) any lien or charge upon payments by the Borrower to the Issuer and the Trustee hereunder and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer or the Trustee in respect of any portion of the Project. In the event that any action or proceeding is brought against the Trustee with respect to which indemnity may be sought under Section 9, the Borrower will assume the investigation and defense of the action or proceeding, including the engagement of counsel selected by the Borrower and shall assume the payment of all expenses related to the action or proceeding, with full power to litigate, compromise or settle the same in its sole discretion; provided, however, that the Trustee shall have the right to review and approve or disapprove with reasonable discretion any such compromise or settlement. The Trustee shall have the right to engage separate counsel in any action or proceeding and participate in the investigation and defense of such action or proceeding, and the Borrower shall pay the reasonable fees and expenses of such separate counsel if (i) the Trustee determines that a conflict exists between the interests of the Trustee and the interests of the Borrower or (ii) such separate counsel is engaged with the approval of the Borrower, which approval shall not be unreasonably withheld, conditioned or delayed.

In addition thereto, the Borrower will pay upon demand all of the fees and expenses paid or incurred by the Trustee, the Commission and/or the Issuer in enforcing the provisions hereof.

The provisions of this Section 9 shall survive the term of the Bonds and this Agreement or the resignation or removal of the Trustee.

Section 10. Consideration. The Issuer has agreed to issue the Bonds to provide funds to lend to the Borrower to finance the Project. In consideration of the issuance of the Bonds by the Issuer, the Borrower has entered into this Agreement and has agreed to restrict the uses to which the Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The Issuer and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds, in the exemption from Indiana personal income taxation of interest on the Bonds and in the Tax-Exempt status of the interest on the Bonds. In performing their duties and obligations hereunder, the Issuer and the Trustee may rely upon statements and certificates of the Low Income Tenants, and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the Issuer and the Trustee may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, not taken or suffered by the Issuer or the Trustee hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Agreement, the Trustee and the Issuer shall not be required to conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Trustee by the Borrower or the Issuer with respect to the occurrence or absence of a default.

Section 12. Sale or Transfer of the Project. For the Qualified Project Period, the Borrower shall not, except as provided below, sell, transfer or otherwise dispose of the Project, in whole or in part. The Borrower may sell, transfer, or otherwise dispose of the Project only upon satisfaction of the following conditions: (A) the receipt by the Trustee and the Issuer of evidence reasonably acceptable to the Trustee and the Issuer that (1) the Borrower shall not be in default hereunder or under the Loan Agreement (which may be evidenced by a Compliance Certificate) or the purchaser or assignee undertakes to cure any defaults of the Borrower to the reasonable satisfaction of the Trustee and the Issuer; (2) the continued operation of the Project shall comply with the provisions of this Agreement; (3) either (a) the purchaser or assignee has at least three years' experience in the ownership, operation and management of large residential rental housing projects, without any record of material violations of discrimination restrictions or other state or federal laws or regulations or local government requirements applicable to such projects (which may be evidenced by a certificate from the assignee), or (b) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subclause (a) above; and (4) the person or entity which is to acquire the Project does not have pending against it, and does not have a history of, building code violations or significant and material complaints concerning the maintenance, upkeep, operation, and regulatory agreement compliance of any of its projects as identified by any local, state or federal regulatory agencies (which may be evidenced by a certificate from the assignee); (B) the execution by the purchaser or assignee of any document reasonably requested by the Issuer or the Trustee with respect to the assumption of the Borrower's obligations under this Agreement, including without limitation an instrument of assumption hereof, and delivery to the Issuer and the Trustee of an opinion of such purchaser or assignee's counsel to the effect that each such document and this Agreement are valid, binding and enforceable obligations of such purchaser or assignee; (C) receipt by the Issuer and the Trustee of an opinion of Bond Counsel addressed to the Issuer and the Trustee to the effect that any such sale, transfer or other disposition will not adversely affect the Tax-Exempt status of interest on the Bonds; and (D) receipt by the Issuer and the Trustee of all fees then currently due and payable to the Issuer and the Trustee from the Borrower. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 12 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Agreement. Nothing in this Section shall affect any provision of any other document or instrument between the Borrower and any other party which requires the Borrower to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Upon any sale or other transfer which complies with this Agreement, the Borrower shall be fully and automatically released from its obligations hereunder to the extent such obligations have been assumed by the transferee of the Project. Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 12, except that satisfaction of the foregoing conditions shall not be required in the case of any transfer of the Project to an entity wholly-owned by the Borrower if the conditions set forth in Section 6.10 of the Loan Agreement are satisfied. For the Qualified Project Period, the Borrower shall not: (1) except pursuant, or subordinate, to the provisions of this Agreement and the Mortgage (and upon receipt by the Borrower of an opinion of Bond Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Bonds), or except upon a sale, transfer or other disposition of the Project in accordance with the terms of this Agreement, encumber any of the Project or grant commercial leases of any part thereof, or permit the

conveyance, transfer or encumbrance of any part of the Project (except for leases of apartments, garages, self-storage units and laundry facilities and except for Permitted Encumbrances permitted pursuant to Section 3.17 of the Mortgage); (2) demolish any part of the Project or substantially subtract from any real or personal property of the Project, except to the extent that what is removed is replaced with comparable property; or (3) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

Section 13. **Term.** This Land Use Restriction Agreement and all and several of the terms hereof shall become effective upon the date hereof, and shall remain in full force and effect for the period provided herein and shall terminate as to any provision not otherwise provided with a specific termination date and shall terminate in its entirety at the end of the Qualified Project Period, it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Bonds and discharge of the Indenture, and the Loan Agreement.

The terms of this Agreement to the contrary notwithstanding, the requirements of the Code set forth in Sections 3 and 4 hereof shall terminate and be of no further force and effect in the event of involuntary noncompliance with the provisions of said Sections caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the Issuer and the Trustee from enforcing such provisions, or condemnation or a similar event, but only if, within a reasonable period, either the Bonds are retired or amounts received as a consequence of such event are used to provide a project which meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure or the delivery of a deed in lieu of foreclosure or a similar event, the Borrower or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Upon the termination of the terms of this Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Agreement in accordance with its terms.

Section 14. **Covenants to Run With the Land.** The Borrower hereby subjects the Project to the covenants, reservations and restrictions set forth in this Agreement. The Issuer, the Trustee and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

Section 15. Burden and Benefit. The Issuer, the Trustee and the Borrower hereby declare their understanding and intent that the burdens of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The Issuer, the Trustee and the Borrower hereby further declare their understanding and intent that the benefits of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bonds were issued.

Section 16. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use of the site on which the Project is located.

Section 17. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Land Use Restriction Agreement, and if such default remains uncured for a period of sixty (60) days after notice thereof shall have been given by the Issuer or the Trustee to the Borrower, or for a period of sixty (60) days from the date the Borrower should, with due diligence, have discovered such default, then the Trustee, acting on its own behalf or on behalf of the Issuer, shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default is of such a nature that it can be corrected, but not within sixty (60) days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said sixty (60) days and diligently pursues such action until the default is corrected, and (ii) in the opinion of Bond Counsel, the failure to cure said default within sixty (60) days will not adversely affect the Tax-Exempt status of interest on the Bonds. The Issuer and the Trustee shall have the right to enforce the obligations of the Borrower under this Agreement within shorter periods of time than are otherwise provided herein if necessary to insure compliance with the Act or the Code. Following the declaration of an Event of Default hereunder the Issuer or the Trustee may, at their respective options, take any one or more of the following steps, in addition to all other remedies provided by law or equity:

- (i) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the Issuer or the Trustee hereunder;
- (ii) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project;
- (iii) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder; and
- (iv) declare a default under the Loan Agreement and proceed with any remedies provided therein, including foreclosure under the Mortgage and redemption of the Bonds to the extent permitted by, and in accordance with the provisions of, the Loan Agreement and the Indenture.

The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the Issuer may fully obtain the benefits of such agreements made by the Borrower herein, and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any Event of Default by the Borrower hereunder.

In addition, during the Qualified Project Period, the Borrower hereby grants to the Trustee the option, subject to Section 9.1(1) of the Indenture, upon the expiration of sixty (60) days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 17 of the Borrower's default under this Agreement (subject to any extensions to such sixty (60) day period granted in the first paragraph of this Section 17), to lease up to forty percent (40%) of the units in the Project for the purpose of subleasing such units to Low Income Tenants but only to the extent necessary to comply with the provisions of Sections 3, 4, 6 and 7 of this Agreement and only at the option of the Trustee. The option granted in the preceding sentence shall be effective only if the Borrower has not cured such default within such sixty (60) day period, or if the default is of such a nature that it can be cured, but not within sixty (60) days, by instituting corrective action within such sixty (60) day period. Such option shall be exercisable first with respect to units which are vacant at the time of exercise of this option and shall be exercised with respect to occupied units only to the extent that subleasing of additional units is necessary in order to bring the Project into compliance with the provisions of Sections 3, 4 and 6 of this Agreement, and any eviction carried out in connection with the exercise of such option shall be carried out in compliance with applicable laws. The option and any leases to the Trustee under this provision shall terminate with respect to each default upon the achievement, by the Borrower or the Trustee, of compliance with the requirements of Sections 3, 4 and 6 of this Agreement, and any subleases entered into pursuant to the Trustee's option shall be deemed to be leases from the Borrower. The Trustee shall make diligent efforts to rent Low Income Units to Low Income Tenants for monthly rental amounts equivalent to those collected from tenants of similar units in the Project but shall not be required to obtain such rental amounts. The Trustee shall seek, but shall not be required, to rent such units for the highest possible rents that may be charged, consistent with the rent and occupancy restrictions of this Agreement. Tenant selection shall be performed utilizing the Borrower's reasonable management and selection policies. The Trustee subleases to Low Income Tenants pursuant to this paragraph shall not exceed six months in term and shall expressly permit the Borrower to increase the rents to the maximum amounts as may be permitted hereunder for the respective households at the time the Borrower assumes the Trustee's position hereunder. Any rental paid under any such sublease shall be paid to the Borrower after the Trustee has been reimbursed for any expenses incurred in connection with such sublease. All rents received by the Trustee from such subleases, less the Trustee's expenses incurred in connection with such subleases, shall be placed into an escrow reasonably approved by the Borrower. All funds in such escrow shall be continuously pledged by the Issuer for the benefit of the Borrower. The Trustee agrees to allow the Borrower access to the Trustee's books and records relating to the collection and disbursement of rents received pursuant to such subleases.

All reasonable fees, costs and expenses of the Trustee and the Issuer incurred in taking any action pursuant to this Section shall be the sole responsibility of the Borrower.

No breach or default under this Land Use Restriction Agreement shall defeat or render invalid any deed of trust, mortgage or like encumbrance upon the Project or any portion thereof given in good faith and for value.

The Trustee and the Issuer shall not be deemed to have knowledge of any default hereunder unless a responsible officer of the Trustee shall have been specifically notified in writing of such default by the Issuer, the Paying Agent, the Borrower or by the Owners of at least 25% of the Bonds.

Section 18. The Trustee. The Trustee shall act as specifically provided herein and in the Indenture and may exercise such additional powers as are reasonably incidental hereto and thereto. The Trustee shall have no duty to act with respect to enforcement of the Borrower's performance hereunder as described in Section 17 unless it shall have actual knowledge of any such default. The Trustee shall act as the agent of and on behalf of the Issuer, and any act required to be performed by the Issuer as herein provided shall be deemed taken if such act is performed by the Trustee. In connection with any such performance, however, the Trustee is acting solely as Trustee under the Indenture, and not in its individual capacity, and all provisions of the Indenture relating to the rights, privileges, powers and protections of the Trustee, including without limitation those set forth in Article IX thereof, shall apply with equal force and effect to all actions taken (or omitted to be taken) by the Trustee in connection with this Land Use Restriction Agreement. Neither the Trustee nor any of its officers, directors or employees shall be liable for any action taken or omitted to be taken by it hereunder or in connection herewith except for its or their own gross negligence or willful misconduct. The Trustee may consult with legal counsel selected by it (the reasonable fees of which counsel shall be paid by the Borrower) and any action taken or suffered by it reasonably and in good faith in accordance with the opinion of such counsel shall be full justification and protection to it.

After the Qualified Project Period, the Trustee shall no longer have any duties or responsibilities under the Agreement and all references to the Trustee in this Agreement shall be deemed references to the Issuer.

Section 19. Recording and Filing. The Borrower shall cause this Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of St. Joseph, Indiana and in such other places as the Issuer or the Trustee may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

(a) The Borrower and the Issuer will file of record such other documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the Issuer and the Trustee, in order to insure that the requirements and restrictions of this Agreement will be binding upon all owners of the Project.

(b) The Borrower hereby covenants to include or reference the requirements and restrictions contained in this Agreement in any documents transferring any interest in the Project to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Agreement.

Section 20. **Payment of Fees.** Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Indenture, the Borrower shall continue to pay to the Trustee reasonable compensation for any services rendered by it hereunder and reimbursement for all expenses reasonably incurred by it in connection therewith, and shall continue to pay (or shall prepay) the Issuer's expenses as provided in the Loan Agreement.

Section 21. **Governing Law.** This Agreement shall be governed by the laws of the State of Indiana. The Trustee's rights, duties and obligations hereunder are governed in their entirety by the terms and provisions of the Indenture.

Section 22. **Amendments.** This Agreement may be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of St. Joseph, Indiana, and only upon receipt by the Issuer and the Trustee of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-Exempt status of interest on the Bonds and is not contrary to the provisions of the Act.

(a) Anything to the contrary contained herein notwithstanding, the Issuer, the Trustee and the Borrower hereby agree to amend this Agreement to the extent required, in the opinion of Bond Counsel, in order that interest on the Bonds remain Tax-Exempt. The parties requesting such amendment shall notify the other parties to this Agreement of the proposed amendment, with a copy of such requested amendment to Bond Counsel and a request that such Bond Counsel render to the Issuer and the Trustee an opinion as to the effect of such proposed amendment upon the Tax-Exempt status of interest on the Bonds. This provision shall not be subject to any provision of any other agreement requiring any party hereto to obtain the consent of any other person in order to amend this Agreement.

Section 23. **Notices.** Any notice required to be given hereunder shall be made in writing and shall be given by personal delivery, certified or registered mail, postage prepaid, return receipt requested, or by electronic means which produces receipt of transmission, at the addresses specified below, or at such other addresses as may be specified in writing by the parties hereto:

Section 24. Severability. If any provision of this Land Use Restriction Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. **Limitation on Liability.** Notwithstanding the foregoing or any other provision or obligation to the contrary contained in this Agreement, with the exception of any and all indemnities provided by the Borrower under the Bond Documents and Section 9 hereof (i) the liability of the Borrower under this Agreement to any person or entity, including, but not limited to, the Trustee or the Issuer and their successors and assigns, is limited to the Borrower's interest in the Project, the Revenues and the amounts held in the funds and accounts created under the Indenture or other Bond Documents or any rights of the Borrower under any guarantees relating to the Project, and such persons and entities shall look exclusively thereto, or to such other security as may from time to time be given for the payment of obligations arising out of this Agreement or any other agreement securing the obligations of the Borrower under this Agreement; and (ii) from and after the date of this Agreement, no deficiency or other personal judgment, nor any order or decree of specific performance (other than pertaining to this Agreement, any agreement pertaining to any Project or any other agreement securing the Borrower's obligations under this Agreement), shall be rendered against the Borrower, the assets of the Borrower (other than the Borrower's interest in the Project, this Agreement, amounts held in the funds and accounts created under the Bond Documents, any rights of the Borrower under the Bond Documents or any rights of the Borrower under any guarantees relating to the Project), its officers, directors or members, the partners holding ownership interests in the Borrower, or the officers, directors or employees of the Borrower, or of their heirs, personal representatives, successors, transferees or assigns, as the case may be, in any action or proceeding arising out of this Agreement and the Indenture or any agreement securing the obligations of the Borrower under this Agreement, or any judgment, order or decree rendered pursuant to any such action or proceeding.

Section 27. **No Obligation of Issuer Regarding Expenses.** Notwithstanding any provision contained in this Land Use Restriction Agreement to the contrary, the Issuer will not be required to incur any expense or to advance any funds relating to this Land Use Restriction Agreement.

The total principal amount of Bonds that may be issued and Outstanding hereunder is expressly limited to \$_____. The Bonds shall be designated City of Mishawaka, Indiana Multifamily Housing Revenue Bonds (Ironwood Village Apartments Project), Series 2019. The form of Bonds attached as Exhibit A to this Indenture shall be the form of Bonds referred to herein.

Section 2.2 Issuance of Bonds.

(a) The Bonds shall bear interest from the Issue Date until paid or exchanged, as applicable, at the rate set forth in Section 2.3 hereof computed on the basis set forth in the form of the Bonds, and the Bonds shall mature, unless sooner paid, on the Maturity Date, on which date all unpaid principal of and interest on the Bonds shall be due and payable.

(b) The Bonds shall be issued as fully registered bonds without coupons in Authorized Denominations only. The Bonds shall be numbered from R-1 upwards bearing numbers not then contemporaneously outstanding (in order of issuance) according to the records of the Trustee.

(c) The Bonds shall be dated the Issue Date and initially issued as provided herein and in the written instructions from the Issuer. Interest on the Bonds shall be computed from the most recent Interest Payment Date to which interest has been paid or duly provided for or if no interest has been paid or provided for, from the Issue Date. (vii) An approving Opinion of Bond Counsel that the Bonds have been duly authorized and validly issued, that this Indenture creates a valid lien on the Security, that interest on the Bonds will be excludable from gross income of the Holders thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax, that the Bonds are not

required to be registered under the Securities Act of 1933, as amended, and that this Indenture need not be qualified under the Trust Indenture Act of 1939, as amended; and

(viii) An opinion of Counsel for the Borrower to the effect that (A) the Borrower is duly organized and validly existing and in good standing under the laws of the State and in good standing under the laws of each other state in which the Borrower transacts business, (B) the Borrower has full power and authority to enter into the Bond Documents to which it is a party, and (C) such Bond Documents have been duly authorized, executed and delivered by the Borrower, the Borrower's execution and delivery of, and performance of its covenants set forth in, such documents do not contravene the law or any provision of any other agreement to which it is a party or by which it or its property is bound or affected, and all such Bond Documents are legal, valid and binding agreements of the Borrower and such other opinions as are required by the Purchase Agreement or reasonably requested by the Controlling Person or the Majority Owner; and

(ix) A pro forma title insurance policy reasonably acceptable to the Controlling Person; and

(x) Reliance letters for, or address of the opinions to, the Controlling Person and Majority Owner of each of the opinions filed with the Trustee; and

(xi) Such other documents, opinions and certificates as may be required by the Issuer, Trustee, Bond Counsel, Majority Owner or Controlling Person.

(c) Upon receipt of the foregoing, the Trustee shall authenticate and deliver the Bonds as provided in the written instructions of the Issuer to the Trustee.

Section 2.8 Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate and deliver a new Bond of the same maturity, interest rate, principal amount and tenor in lieu of and in substitution for the Bond mutilated, lost, stolen or destroyed; provided, that there shall be first furnished to the Trustee evidence satisfactory to it and the Issuer of the ownership of such Bond and of such loss, theft or destruction (or, in the case of a mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee), together with indemnity satisfactory to the Trustee and the Issuer and compliance with such other reasonable regulations as the Issuer and the Trustee may prescribe. If any such Bond shall have matured or a redemption date pertaining thereto shall have passed, instead of issuing a new Bond the Issuer may pay the same without surrender thereof. The Issuer and the Trustee may charge the Holder of such Bond with their reasonable fees and expenses in connection with this Section.

Section 2.9 Exchangeability and Transfer of Bonds; Persons Treated as Owners.

(a) The Register and all other records relating to the registration of the Bonds and for the registration of transfer of the Bonds as provided herein shall be kept by the Trustee.

(b) Any Holder of a Bond, in person or by his/her duly authorized attorney, may transfer title to his/her Bond on the Register upon surrender thereof at the principal office of the Trustee, by providing the Trustee with a written instrument of transfer (in substantially the form of assignment attached to the Bond) executed by the Holder or such Holder's attorney, duly authorized in writing, and thereupon, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Bond or Bonds of the same aggregate principal amount and tenor as the Bond surrendered (or for which transfer of registration has been effected) and of any Authorized Denomination or Authorized Denominations.

(c) Bonds may be exchanged upon surrender thereof at the principal office of the Trustee with a written instrument of transfer satisfactory to the Trustee executed by the Holder or such Holder's attorney duly authorized in writing, for an equal aggregate principal amount of Bonds of the same tenor as the Bonds being exchanged and of any Authorized Denomination or Authorized Denominations. The Issuer shall execute and the Trustee shall authenticate and deliver Bonds that the Holder making the exchange is entitled to receive, bearing numbers not contemporaneously then outstanding.

(d) Such registrations of transfer or exchanges of Bonds shall be without charge to the Holders of such Bonds, but any taxes or other governmental charges required to be paid with respect to the same shall be paid by the Holder of the Bond requesting such registration of transfer or exchange as a condition precedent to the exercise of such privilege. Any service charge made by the Trustee for any such registration of transfer or exchange and all reasonable expenses of the Issuer shall be paid by the Borrower.

(e) The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of either principal or interest shall be made only to or upon the order of the registered owner thereof or his/her duly authorized attorney, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(f) All Bonds issued upon any registration of transfer or exchange of Bonds shall be legal, valid and binding limited obligations of the Issuer, evidencing the same debt, and entitled to the same security and benefits under this Indenture, as the Bonds surrendered upon such registration of transfer or exchange.

(g) Notwithstanding the foregoing, for so long as the Bonds are held under the Book-Entry System, transfers of beneficial ownership will be effected pursuant to rules and procedures established by the Securities Depository, as more fully described in Section 2.14 hereof.

Section 2.10 Non-presentment of Bonds. In the event any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity or at the date fixed for redemption thereof or otherwise, if funds sufficient to pay the principal of, premium, if any, and interest on such Bond shall have been made available to the Trustee for the benefit of the Holder or Holders thereof, payment of such Bond or portion thereof as the case may be, shall forthwith cease, terminate and be completely discharged, and thereupon it shall be the duty of the Trustee, subject to any applicable escheat laws, to hold such fund or funds uninvested in the Bond Fund, without liability to the Holder of such Bond for interest thereon, for the benefit of the Holder of such Bond, who shall thereafter be restricted exclusively to such fund or funds, for any claim of whatever nature on his/her part on, or with respect to, said Bond, or portion thereof.

Section 2.11 Ratably Secured. All Bonds issued hereunder are and are to be, to the extent provided in this Indenture, equally and ratably secured by this Indenture without preference, priority or distinction on account of the actual time or times of the authentication, delivery or maturity of the Bonds so that subject as aforesaid, all Bonds at any time Outstanding shall have the same right, lien and preference under and by virtue of this Indenture and shall all be equally and ratably secured hereby with like effect as if they had all been executed, authenticated and delivered simultaneously on the date hereof, whether the same, or any of them, shall actually be disposed of at such date, or whether they, or any of them, shall be disposed of at some future date.

Section 2.12 Redemption of Bonds.

(a) Optional Redemption of Bonds. The Bonds are subject to optional redemption in whole but not in part, at the direction of the Borrower upon not less than forty-five (45) days written notice to the Trustee and the Controlling Person (which notice shall be unconditional and irrevocable), in Authorized Denominations on any Interest Payment Date occurring on or after December 1, 2033, at a redemption price equal to 100% of the principal amount thereof, plus accrued interest thereon to, but not including, the redemption date.

(i) The Bonds are subject to mandatory redemption from, and to the extent of, amounts on deposit in the Surplus Fund (subject to Section 4.4 hereof) on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture, following the deposit of Surplus Bond Proceeds in the Surplus Fund at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(ii) The Bonds are subject to mandatory redemption in whole or in part on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture after and to the extent that Insurance Proceeds or a Condemnation Award in connection with the Project Facilities are deposited in the Project Fund and are not to be used to repair or restore the Project Facilities at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(iii) On or after the Stabilization Date and upon at least five Business Days written notice thereof, the Bonds are subject to mandatory redemption in part on any Interest Payment Date in the amount as specified by the Controlling Person in writing to the Trustee necessary to cause the Project Facilities to meet the requirements of clause (ii) of the definition of "Stabilization," at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(iv) The Bonds are subject to extraordinary mandatory redemption in whole or in part, at the direction of the Controlling Person to the Trustee and the Borrower, at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date, on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture following receipt by the Trustee of the direction of the Controlling Person, within one hundred eighty (180) days of the occurrence of any of the following events:

(1) the Project Facilities shall have been damaged or destroyed to such an extent that in the judgment of the Controlling Person (A) it cannot reasonably be restored within a period of twelve (12) consecutive months to the condition thereof immediately preceding such damage or destruction, (B) the Borrower is thereby prevented from carrying on its normal operations at the Project Facilities for a period of twelve (12) consecutive months, or (C) it would not be economically feasible for the Borrower to replace, repair, rebuild or restore the same;

(2) title in and to, or the temporary use of, all or substantially all of the Project Facilities shall have been taken under the exercise of the power of eminent domain by any Governmental Authority or any Person acting under Governmental

Authority (including such a taking as, in the judgment of the Controlling Person, results in the Borrower being prevented thereby from carrying on its normal operations at the Project Facilities for a period of twelve (12) consecutive months);

(3) as a result of any changes in the Constitution of the State, or the Constitution of the United States of America or by legislative or administrative action (whether state or federal) or by final decree, judgment, decision or order of any court or administrative body (whether state or federal), any material provision of the Loan Agreement or the other Bond Documents shall have become void or unenforceable or impossible of performance in accordance with the intent and purpose of the parties as expressed therein, in each case, as determined by the Controlling Person;

(4) unreasonable burdens or excessive liabilities shall have been imposed on the Borrower with respect to the operations of the Project Facilities, including, without limitation federal, state or other ad valorem, property, income or other taxes not being imposed on the date of this Indenture that, in the judgment of the Controlling Person, render the continued operation of the Project Facilities uneconomical;

(5) legal curtailment of the Borrower's use and occupancy of all or substantially all of the Project Facilities for any reason other than that set forth in (ii) above, which curtailment shall, in the judgment of the Controlling Person, prevent the Borrower from carrying on its normal operations at the Project Facilities for a period of twelve (12) consecutive months; or

(6) the Loan Agreement is terminated prior to its expiration for any reason, including the occurrence of an Event of Default under the Loan Agreement.

(v) The Bonds are subject to mandatory redemption in whole at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date, on the first Interest Payment Date for which notice of redemption can be given in accordance with this Indenture within forty-five (45) days after the occurrence of a Determination of Taxability; provided, however, if mandatory redemption on account of a Determination of Taxability of less than all the Bonds would result, in the opinion of Bond Counsel, in the interest on the Bonds Outstanding following such mandatory redemption being excludable from the gross income of the Holders of such Bonds Outstanding, then the Bonds are subject to mandatory redemption upon the occurrence of a Determination of Taxability in the amount specified in such opinion, provided that such redemption must be in an Authorized Denomination.

(vi) The Bonds are subject to mandatory redemption in whole on any Interest Payment Date specified by the Controlling Person on or after December 1, 2034, if the Controlling Person directs redemption by providing notice of redemption to the Borrower, the Trustee and the Issuer at least six (6) months prior to the Interest Payment Date specified in such notice on which the Bonds are to be redeemed at a redemption price equal to 100% of the principal amount thereof plus interest accrued thereon to, but not including, the redemption date. The direction of the Controlling Person to redeem the Bonds shall be irrevocable and shall be binding on the Holders of all of the Bonds and on any transferee(s) of such Holders.

(vii) The Bonds are subject to mandatory redemption in part on any Interest Payment Date specified by the Controlling Person, but not later than sixty (60) days following the Stabilization Date, in the principal amount of \$680,000 at a redemption price equal to 100% of the

principal amount of the Bonds to be redeemed without premium or penalty plus interest accrued thereon to, but not including, the redemption date.

(c) Mandatory Sinking Fund Redemption. The Bonds are subject to mandatory sinking fund redemption in part on each Principal Payment Date, from amounts paid by the Borrower to the Trustee for deposit into the Redemption Fund pursuant to Sections 2.3(d) and 8.4 of the Loan Agreement (in the amount set forth on Schedule 3 of the Loan Agreement), at a redemption price equal to 100% of the principal amount of the Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date.

(d) Selection of Bonds to be Redeemed. If less than all the Outstanding Bonds shall be called for redemption, the Trustee or, if the Bonds are held in Book-Entry System, the Securities Depository shall select or arrange for the selection of the Bonds to be redeemed in Authorized Denominations, by lot, pursuant to its rules and procedures; provided that, any Bond or portion thereof remaining Outstanding shall be in an Authorized Denomination. If the Bonds are held in the Book-Entry System, the Securities Depository shall, acting pursuant to its rules and procedures, reflect in said system the partial redemption and the Trustee shall either (i) exchange the Bond or Bonds held by the Securities Depository for a new Bond or Bonds in the appropriate principal amount, if such Bond is presented to the Trustee by the Securities Depository, or (ii) obtain from the Securities Depository a written confirmation of the reduction in the principal amount of the Bonds held by such Securities Depository.

(e) Partial Redemption of Bonds; Reamortization. In case part but not all of a Bond shall be selected for redemption, upon presentation and surrender at the operations office of the Trustee of such Bond by the Holder thereof or his attorney duly authorized in writing (with due endorsement for transfer or accompanied by written instrument of transfer in form satisfactory to the Trustee), the Issuer shall execute and the Trustee shall authenticate and deliver to or upon the order of such Holder, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds, at the option of such Holder, of any Authorized Denomination of like tenor, or if less than the minimum Authorized Denomination, an amount necessary to equal the unredeemed portion of the principal amount of the Bond; provided, however, such surrender of Bonds shall not be required for payment of the redemption price pursuant to Section 2.12(c) hereof. For all purposes of this Indenture (including exchange and transfer), the Bond so issued in less than a minimum Authorized Denomination shall be deemed to have been issued in an Authorized Denomination. Bonds so presented and surrendered shall be canceled in accordance with this Indenture. In the event of a partial redemption of Bonds other than pursuant to Section 2.12(c), the mandatory sinking fund schedule set forth on Schedule 3 of the Loan Agreement shall be adjusted to provide for level debt service in respect of the Bonds remaining Outstanding after such partial redemption, on the basis of the original amortization schedule. The Controlling Person shall provide the Trustee and the Borrower with a new Schedule 3 reflecting such adjustment promptly following any such partial redemption.

(f) Redemption Price. Other than as described in Section 6.8 hereof, any redemption of Bonds shall be at a redemption price equal to 100% of the principal amount of Bonds to be redeemed plus interest accrued thereon to, but not including, the redemption date, without premium, penalty or charge.

(g) Right of Borrower to Purchase Bonds. Subject to delivery of a Favorable Opinion of Bond Counsel, provided that such opinion shall not be required if the Bonds are held by a Substantial User or Related Person to a Substantial User, the Borrower shall have the option, by written notice to the Trustee and the Controlling Person given not less than five (5) Business Days (forty-five (45) days in case of a redemption pursuant to Section 2.12(b)(vi) hereof), in advance of any redemption date, to cause purchase of the Bonds in lieu of redemption on the redemption date. The purchase price of

the Bonds so purchased in lieu of redemption shall be equal to the redemption price thereof, and shall be payable on the redemption date. Bonds so purchased in lieu of redemption shall be registered to or upon the direction of the Borrower.

Section 2.13 Notice of Redemption. Notice of redemption shall be mailed by the Trustee by first-class mail, postage prepaid, at least thirty (30) days before the redemption date to each Holder of the Bonds to be redeemed in whole or in part at his/her last address appearing on the Register, with a copy to the Controlling Person, but no defect in or failure to give such notice of redemption shall affect the validity of the redemption; provided, however, that (i) notice of redemption shall be mailed by the Trustee not less than five (5) Business Days prior to the date fixed for redemption pursuant to Section 2.12(b)(iii) and Section 2.12(b)(vii) hereof, and (ii) no notice of redemption shall be required for mandatory sinking fund redemption pursuant to Section 2.12(c) hereof. All Bonds properly called for redemption will cease to bear interest on the date fixed for redemption, and, thereafter, the Holders of such Bonds called for redemption shall have no rights in respect thereof except to receive payment of the redemption price from the Trustee and a new Bond for any portion not redeemed. Notwithstanding the foregoing, with respect to any Bonds held under the Book Entry System, notices of redemption shall be provided in accordance with the rules and procedures established by the Securities Depository, as more fully described in Section 2.14 hereof.

Section 2.14 Book-Entry System.

(a) On the date of issuance and delivery of the Bonds, one Bond in the aggregate principal amount of the Bonds and registered in the name of the Securities Depository Nominee will be issued and deposited with the Securities Depository and held in its custody. The Book-Entry System will be maintained by the Securities Depository and the DTC Participants and Indirect Participants and will evidence beneficial ownership of the Bonds in Authorized Denominations, with registration of transfers of ownership effected on the records of the Securities Depository, the DTC Participants and the Indirect Participants pursuant to rules and procedures established by the Securities Depository, the DTC Participants and the Indirect Participants. The principal of, premium, if any, and interest on each Bond shall be payable to the Securities Depository Nominee or any other person appearing on the Register as the registered Holder of such Bond or his/her registered assigns or legal representative at the principal office of the Trustee. So long as the Book-Entry System is in effect, the Securities Depository will be recognized as the Holder of the Bonds for all purposes. Transfer of, premium, if any, principal and interest payments or notices to DTC Participants and Indirect Participants will be the responsibility of the Securities Depository, and transfer of principal of, premium, if any, and interest payments or notices to Beneficial Owners will be the responsibility of the DTC Participants and the Indirect Participants. No other party will be responsible or liable for such transfers of payments or notices or for maintaining, supervising or reviewing such records maintained by the Securities Depository, the DTC Participants or the Indirect Participants. While the Securities Depository Nominee or the Securities Depository, as the case may be, is the registered owner of the Bonds, notwithstanding any other provisions set forth herein, payments of principal of, premium, if any, and interest on the Bonds shall be made to the Securities Depository Nominee or the Securities Depository, as the case may be, by wire transfer in immediately available funds to the account of said Holder as may be specified in the Register maintained by the Trustee or by such other method of payment as the Trustee may determine to be necessary or advisable with the concurrence of the Securities Depository.

(b) If (i) the Securities Depository determines not to continue to administer a Book-Entry System for the Bonds, or (ii) the Borrower, on behalf of the Issuer, with the consent of the Trustee and the Controlling Person, elects to remove the Securities Depository, then the Borrower, on behalf of the Issuer, with the consent of the Trustee and the Controlling Person, may appoint a new Securities Depository.

(c) If (i) the Securities Depository determines not to continue to administer a Book-Entry System for the Bonds or has been removed and the Borrower fails to appoint a new Securities Depository, or (ii) the Controlling Person or the Borrower, with the consent of the Trustee and the Controlling Person, determines that continuation of a Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect the interests of the Beneficial Owners, the Book-Entry System will be discontinued, in which case the Trustee will deliver replacement Bonds in the form of fully registered certificates in Authorized Denominations in exchange for the Outstanding Bonds as required by the Trustee and the Beneficial Owners.

ARTICLE III **SECURITY**

Section 3.1 Security. The Bonds and the interest and any premium thereon shall be limited obligations of the Issuer as provided in Section 10.9 hereof, and shall be secured by and payable solely from the Security pledged and assigned to the Trustee by the Issuer pursuant to the Granting Clauses hereof. **THE BONDS TOGETHER WITH INTEREST THEREON DO NOT CONSTITUTE A DEBT OR A LOAN OF CREDIT OR A PLEDGE OF THE FULL FAITH AND CREDIT OR TAXING POWER OF THE ISSUER, OR OF THE STATE OF INDIANA, OR OF ANY POLITICAL SUBDIVISION THEREOF, WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NEVER CONSTITUTE NOR GIVE RISE TO A PECUNIARY LIABILITY OF THE ISSUER, THE ISSUER'S ECONOMIC DEVELOPMENT COMMISSION, OR THE STATE. THE BONDS SHALL NOT CONSTITUTE, DIRECTLY OR INDIRECTLY, OR CONTINGENTLY OBLIGATE OR OTHERWISE CONSTITUTE A GENERAL OBLIGATION OF OR A CHARGE AGAINST THE GENERAL CREDIT OF THE ISSUER, BUT SHALL BE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE SOURCES DESCRIBED HEREIN, BUT NOT OTHERWISE.**

Section 3.2 Payment of Bonds and Performance of Covenants. The Issuer shall promptly pay, but only out of the Security, the principal of, premium, if any, and interest on the Bonds at the place, on the dates and in the manner provided in the Bonds. The Issuer shall promptly perform and observe all covenants, undertakings and obligations set forth herein, in the Bonds or in the other Bond Documents to which the Issuer is a party on its part to be performed or observed. The Issuer shall fully cooperate with the Trustee in the enforcement by the Trustee of any such rights granted to the Issuer under the Loan Agreement and the other Bond Documents to which the Issuer is a party.

Section 3.3 Authority. The Issuer represents and warrants that (i) it is duly authorized under the laws of the State to issue the Bonds, and to execute, deliver and perform the terms of the Loan Agreement and this Indenture; (ii) all action on its part for the issuance of the Bonds and execution and delivery of the Bond Documents to which it is a party has been duly taken; (iii) the Bonds, upon issuance and authentication, and the Bond Documents to which it is a party upon delivery, assuming that they are the respective legal, valid, binding and enforceable obligations of the other parties thereto, shall be valid and enforceable obligations of the Issuer in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or other similar laws affecting the enforcement of creditors' rights generally and general equitable principles; (iv) it has not heretofore conveyed, assigned, pledged, granted a security interest in or otherwise disposed of the Security; (v) it has not received any payments under the Loan Agreement; (vi) without making any independent investigation, it has no knowledge of any right of set-off, defense or counterclaim to payment or performance of the terms or conditions of the Loan Agreement; and (vii) the execution, delivery and performance of the Bond Documents to which it is a party and issuance of the Bonds are not in contravention of law or any agreement, instrument, indenture

or other undertaking to which it is a party or by which it is bound and no other approval, consent or notice from any Governmental Authority is required on the part of the Issuer.

Section 3.4 No Litigation. The Issuer represents and warrants that there is no action, suit, proceeding, inquiry or investigation at law or in equity or before or by any court, public board or body pending, or, to the best knowledge of the Issuer, threatened against or affecting the Issuer wherein an unfavorable decision, ruling or finding would adversely affect (i) the transactions contemplated by, or the validity or enforceability of, the Bonds, this Indenture or the other Bond Documents to which the Issuer is a party, or (ii) the exclusion from gross income of interest on the Bonds.

Section 3.5 Further Assurances. The Issuer covenants that it will cooperate to the extent necessary with the Borrower and the Trustee in their defenses of the Security against the claims and demands of all Persons and, upon payment or provision for payment of the fees and expenses to be incurred by the Issuer in connection therewith, will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better pledging of the Security. Except for any amendment, modification, supplement, waiver or consent related to the Reserved Rights, the Issuer shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Loan Agreement without the prior written consent of the Trustee, which consent shall be governed by Article VIII hereof.

Section 3.6 No Other Encumbrances; No Dissolution. The Issuer covenants that, (i) except as otherwise provided herein and in the Loan Agreement, it will not sell, convey, mortgage, encumber or otherwise dispose of any portion of the Security, and (ii) to the fullest extent permitted by applicable law, for so long as the Bonds are Outstanding, it will not dissolve, terminate or permit itself to be dissolved or terminated without a successor to its obligations hereunder and under the Bonds having assumed its obligations hereunder and under the Bonds.

Section 3.7 No Personal Liability. No recourse under any obligation, covenant, warranty or agreement of the Issuer contained herein or in the Bonds or the other Bond Documents to which the Issuer is a party or for any claim or judgment based hereon or thereon or otherwise relating hereto or thereto, shall be had against any director, member, officer, agent, attorney or employee, as such, in his/her individual capacity, past, present or future, of the Issuer or its Economic Development Commission or of any successor to the Issuer, either directly or through the Issuer or its Economic Development Commission or any successor to the Issuer, whether by virtue of any constitutional provision, statute or rule of law or equity, or by the enforcement of any assessment or penalty or otherwise. No personal liability whatsoever, whether at common law or in equity or by constitution or statute or otherwise, shall attach to, or be incurred by, any director, member, officer, agent, attorney or employee as such, past, present or future, of the Issuer or its Economic Development Commission or of any successor to the Issuer, either directly or through the Issuer or its Economic Development Commission or any successor to the Issuer, under or by reason of any of the obligations, promises or agreements entered into in the Bonds or between the Issuer and the Trustee, whether herein contained or to be implied herefrom as being supplemental hereto; and all personal liability of that character against every such director, member, officer, agent, attorney and employee is, by the execution of this Indenture and the issuance of the Bonds, and as a condition of, and as part of the consideration for, the execution of this Indenture and the issuance of the Bonds, expressly waived and released.

There shall be deposited in the Bond Fund (a) all Repayments specified in the Loan Agreement to be deposited in the Bond Fund, including all proceeds resulting from the enforcement of the Security or its realization as collateral, and (b) all other moneys received by the Trustee under the Loan Agreement for deposit by it in the Bond Fund.

(b) Moneys in the Bond Fund shall be held in trust for the Holders and, except as otherwise expressly provided herein, shall be used solely for the payment of the interest on the Bonds, for the payment of principal of the Bonds upon maturity, whether stated or accelerated, or upon mandatory or optional redemption prior to the Maturity Date, and for the payment of the acceleration premium set forth in Section 2.3(c) of the Loan Agreement.

(c) After payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, and upon payment of any amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Bond Fund shall be paid to the Borrower.

Section 4.3 Project Fund.

(a) The Trustee shall deposit all amounts specified in Section 4.1 hereof into the specified accounts and subaccounts of the Project Fund. The Trustee will receive and deposit into the Equity Account amounts received which are identified by the Borrower as future installments of Required Equity Funds from the Tax Credit Investor and the General Partner, in accordance with the provisions of the Partnership Agreement and the Assignment of Capital Contributions.

(b) The Trustee is hereby authorized and directed to use moneys in the Project Fund for payment or reimbursement of Project Costs (or, in the case of moneys on deposit in the Bond Proceeds Account of the Project Fund, at least 95% of such funds for payment or reimbursement of Qualified Project Costs) to the Borrower upon the receipt of a fully executed Requisition approved in writing by the Controlling Person, in accordance with the provisions of the Loan Agreement; provided, however, after Final Completion of the Project Facilities, but in no event later than the Stabilization Date, all Surplus Bond Proceeds remaining in the Bond Proceeds Account of the Project Fund shall be transferred to the Surplus Fund. The Trustee shall have no obligation to review any invoices, schedules, etc., attached to the Requisition in the form of Exhibit B and shall be entitled to rely upon any Requisition that has been approved by the Controlling Party in making disbursements from the Project Fund. At the written request of a Borrower Representative, all remaining amounts in the Equity Account of the Project Fund upon the occurrence of Stabilization shall be paid to the Borrower upon receipt of the prior written approval of the Controlling Person, which approval shall not be unreasonably withheld or delayed.

(c) The Trustee shall and is hereby authorized to transfer funds from the Capitalized Interest Account to the Bond Fund to pay interest on the Bonds accruing up to and including the date the Trustee receives written notice from the Borrower of the Completion Date without submission of any Requisition. With respect to any such transfer, the Trustee shall first transfer amounts from proceeds of the sale of the Bonds. The Trustee shall transfer any Surplus Bond Proceeds remaining in the Capitalized

Interest Account after the Borrower certifies to the Trustee the Final Completion of the Project Facilities, but in no event later than the Stabilization Date, to the Surplus Fund.

(d) Amounts in the Costs of Issuance Account shall be disbursed by the Trustee on the Issue Date and thereafter only to pay costs of issuance pursuant to a closing memorandum attached to a Requisition signed by the Borrower and the Controlling Person identifying the amount to be paid and the payee. (e) Moneys representing a Condemnation Award or Insurance Proceeds shall be deposited into the Insurance and Condemnation Proceeds Account of the Project Fund, and notice of such deposit thereof shall be given by the Trustee to the Controlling Person and the Majority Owner. To the extent there has been a determination pursuant to the Bond Documents to restore the Project Facilities, such Condemnation Award or Insurance Proceeds shall be expended in accordance with the written direction of the Controlling Person for such purposes in accordance with the provisions of the Bond Documents. In the event there is a determination pursuant to the Bond Documents not to restore the Project Facilities, such Condemnation Award or Insurance Proceeds shall be either (i) transferred to the Bond Fund and applied to the redemption of Bonds in accordance with Section 2.12 hereof, or (ii) released to the Borrower if the Borrower obtains an opinion of Bond Counsel that such release will not affect the excludability of the interest on the Bonds from gross income for federal income tax purposes, all in accordance with direction of the Controlling Person to the Trustee and subject to the provisions of the Bond Documents.

(f) Upon the occurrence and continuation of an Event of Default hereunder, all money and investments in the Project Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine.

Section 4.4 Surplus Fund. The Surplus Fund shall receive all Surplus Bond Proceeds transferred thereto in accordance with the provisions of this Indenture. The deposit of Surplus Bond Proceeds in the Surplus Fund shall be, and shall be deemed to be, a joint direction by the Borrower and the Controlling Person to the Trustee to redeem the greatest principal amount of the Bonds possible to be redeemed from such deposit pursuant to Section 2.12(b)(i) hereof on the earliest redemption date on which the Bonds may be redeemed, and on such redemption date (or, if such day is not a Business Day, the immediately preceding Business Day) an amount equal to the principal amount of Bonds to be redeemed plus interest accrued thereon to the redemption date shall be transferred from the Surplus Fund to the Bond Fund and used for such redemption. After such transfer, if and to the extent that there are moneys remaining in the Surplus Fund, such moneys in the Surplus Fund shall be transferred to the Bond Fund and shall be used for payment of interest on or principal of the Bonds.

Section 4.5 Use of Certain Additional Funds and Accounts.

(a) Redemption Fund.

(i) There shall be deposited in the Redemption Fund (a) all payments specified in Section 8.4 of the Loan Agreement to be deposited in the Redemption Fund, and (b) all other moneys received by the Trustee under the Loan Agreement or this Indenture for deposit by it in the Redemption Fund. Moneys in the Redemption Fund shall be held in trust for the Holders and, except as otherwise expressly provided herein, shall be used solely for the redemption of Bonds pursuant to Section 2.12 hereof. On each Principal Payment Date or redemption date and as otherwise required hereunder or at the written direction of the Controlling Person, the Trustee shall transfer such amounts from the Redemption Fund to the Bond Fund and call and redeem Bonds as provided in Section 2.12 hereof. After payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, and the payment of any amounts owing to the United States pursuant to any rebate requirement and any other amounts owing hereunder, any amounts remaining in the Redemption Fund shall be paid to the Borrower.

(ii) Upon the occurrence and continuation of an Event of Default hereunder, all money and investments in the Redemption Fund may be disbursed at the direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Controlling Person may determine.

(b) Tax and Insurance Escrow Fund. There shall be deposited in the Tax and Insurance Escrow Fund all moneys received for such purpose by the Trustee from the Borrower pursuant to Section 8.2 of the Loan Agreement. Moneys in the Tax and Insurance Escrow Fund shall be applied to payment of Impositions and insurance premiums at the written direction of the Controlling Person; provided, however, that upon the occurrence and continuation of an Event of Default hereunder, all money and investments held in the Tax and Insurance Escrow Fund shall be disbursed at the written direction of the Controlling Person to pay costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under any of the Bond Documents, in whatever amounts and in whatever order the Controlling Person may determine. Upon the payment in full of the Bonds and the fees and expenses of the Issuer and the Trustee, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, and upon payment of amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Tax and Insurance Escrow Fund shall be paid to the Borrower.

(c) Rebate Fund. The Issuer recognizes that investment of the Bond proceeds will be at the written direction of the Borrower but agrees that it will commit no act, or omit any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and the applicable regulations thereunder. There is hereby established with the Trustee a Rebate Fund. Any provisions in this Indenture to the contrary notwithstanding, amounts credited to the Rebate Fund shall be free and clear of any lien hereunder. The Issuer will observe the covenants contained in the Tax Agreement as if fully set forth herein and the Trustee will follow the written direction of the Borrower in disbursing any amounts in the Rebate Fund to satisfy rebate amounts the Borrower or Rebate Analyst determine are owed.

(d) Replacement Reserve Fund. There shall be deposited in the Replacement Reserve Fund all moneys received for such purpose by the Trustee from the Borrower pursuant to the Replacement Reserve Agreement. Moneys in the Replacement Reserve Fund shall be disbursed by the

Trustee upon receipt of a written request therefor executed by the Borrower and approved in writing by the Controlling Person, in accordance with the terms of the Replacement Reserve Agreement; provided that, upon the occurrence and continuation of an Event of Default hereunder, all moneys and investments in the Replacement Reserve Fund (other than moneys held to pay costs required to be paid but not yet payable) shall be disbursed at the written direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine. Upon the payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, upon payment of amounts payable to the United States pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Replacement Reserve Fund shall be paid to the Borrower as soon as practicable.

(e) Operating Reserve Fund. There shall be deposited in the Operating Reserve Fund all moneys received for such purpose pursuant to Section 8.5 of the Loan Agreement. Funds shall be disbursed from the Operating Reserve Fund, at the request of the Borrower, but only with the Controlling Person's written consent, to fund any operating deficits or expenses of the Borrower or for any other operating or capital needs of the Project Facilities. Upon receipt by the Trustee from the Borrower of a written request together with the written approval of the Controlling Person, which approval shall not be unreasonably withheld or delayed, the Trustee shall disburse funds from the Operating Reserve Fund in accordance with such written request. Upon the occurrence and continuation of an Event of Default, all moneys and investments in the Operating Reserve Fund shall be disbursed at the written direction of the Controlling Person to pay any costs and expenses of the Project Facilities, to pay any costs of enforcement of the Bond Documents and to pay any and all amounts owed by the Borrower under the Bond Documents, in whatever amounts and whatever order the Controlling Person may determine. Interest earnings on amounts held in the Operating Reserve Fund shall be released not more frequently than annually to the Borrower upon its written request and with the prior written consent of the Controlling Person. Upon payment in full of the Bonds, or provision for the payment of the Bonds having been made pursuant to Section 5.2 hereof, upon payment of amounts payable to the United States of America pursuant to any rebate requirement and any other amounts owing hereunder and under the Loan Agreement, any amounts remaining in the Operating Reserve Fund shall be paid to the Borrower.

Section 4.6 Records.

(a) The Trustee shall cause to be kept and maintained records pertaining to all funds and accounts maintained by the Trustee hereunder and all disbursements therefrom and shall periodically deliver to the Borrower statements of activity and statements indicating the investments made with moneys in all such funds during the applicable period. Upon written request, the Trustee shall provide the Borrower and the Controlling Person, within a reasonable period of time, with a report stating the principal amount of Bonds outstanding and a list of the registered owners of the Bonds as of the date specified by the Borrower or the Controlling Person in its request.

(b) The Trustee shall provide the Borrower and the Controlling Person with a written report, on a monthly basis through the calendar month in which the last obligation of the Bonds is retired, identifying the Permitted Investments in which the moneys held as part of the Accounts were invested during the preceding period and the dates of such investments, together with such other information as the Trustee ordinarily provides to Persons such as the Borrower and the Controlling Person in its regular monthly investment reports.

Section 4.7 Investment of Funds. Subject to the provisions of Section 4.8 hereof, moneys held as part of all Accounts hereunder shall be invested and reinvested in Permitted Investments as

instructed in writing by the Borrower with the prior written consent of the Controlling Person; provided, however, that any moneys held by the Trustee to pay the principal of, premium, if any, or interest that has become payable with respect to the Bonds shall not be invested. All Permitted Investments shall be held by or under the control of the Trustee and shall be deemed at all times to be a part of the fund and account which was used to purchase the same. The Trustee may act as principal or agent in the making or disposing of any investment and may utilize its investment department or that of its affiliate and charge its standard investment handling fees. All interest accruing thereon and any profit realized from Permitted Investments shall be credited to the respective fund or account and any loss resulting from Permitted Investments shall be similarly charged. The Trustee is authorized to cause to be sold and reduced to cash a sufficient amount of Permitted Investments whenever the cash balance in any fund or account hereunder is or will be insufficient to make a requested or required disbursement. The Trustee shall not be responsible for any depreciation in the value of any Permitted Investment or for any loss resulting from such sale, so long as the Trustee performs its obligations hereunder in accordance with the terms of this Indenture. Absent specific instructions from the Borrower approved by the Controlling Person to invest cash balances in Permitted Investments hereunder, the Trustee shall invest in Permitted Investments constituting any money market fund that purchases and holds exclusively obligations of the United States of America or its agencies that have a term to maturity of not more than thirty (30) days.

Section 4.8 Guaranties. Any amounts realized by the Trustee under the Guaranty of Completion, the Guaranty of Debt Service, the Guaranty of Recourse Obligations, the Environmental Indemnity or the Developer Fee Pledge shall be deposited in the Equity Account of the Project Fund, shall be deemed a part of the Security, and used or applied or invested by the Trustee as directed in writing by the Controlling Person.

ARTICLE V

DISCHARGE OF LIEN

Section 5.1 Discharge of Lien and Security Interest. Upon payment in full of all of the Bonds and all amounts payable under the Loan Agreement and the other Bond Documents, these presents and the Security Interests shall cease, determine and be discharged, and thereupon the Trustee shall, upon receipt by the Trustee of an opinion of Counsel stating that all conditions precedent to the satisfaction and discharge of this Indenture have been complied with, (a) cancel and discharge this Indenture and the Security Interests; (b) execute and deliver to the Issuer and the Borrower, at the Borrower's expense, such instruments in writing as shall be required to cancel and discharge this Indenture and the Security Interests and reconvey to the Issuer and the Borrower the Security, and assign and deliver to the Issuer and the Borrower so much of the Security as may be in its possession or subject to its control, except for moneys and Government Obligations held in the Bond Fund for the purpose of paying Bonds; and (c) mark as cancelled the Note and satisfy the Mortgage; provided, however, that the cancellation and discharge of this Indenture pursuant to Section 5.3 hereof shall not terminate the powers and rights granted to the Trustee, with respect to the payment, registration of transfer and exchange of the Bonds; provided, further, that the rights of the Issuer and the Trustee to indemnity, non-liability and payment of all reasonable fees and expenses shall survive the cancellation and discharge of this Indenture pursuant to this Section or Section 5.3 hereof.

Section 5.2 Provision for Payment of Bonds. Bonds shall be deemed to have been paid within the meaning of Section 5.1 hereof if:

(a) there shall have been irrevocably deposited in the Bond Fund sufficient money or Government Obligations of such maturities and interest payment dates and bearing such interest as will, in the opinion of a nationally recognized firm of certified public accountants, without further investment or reinvestment of either the principal amount thereof or the interest earnings thereon (said earnings also

to be held in trust), be sufficient for the payment at their respective maturities or redemption dates prior to maturity of the principal of the Bonds of, premium, if any, and interest to accrue thereon through such maturity or redemption dates, as the case may be;

(b) there shall have been paid or provision duly made for the payment of all fees and expenses of the Issuer and the Trustee, due or to become due; and

(c) if any Bonds are to be redeemed on any date prior to their maturity, the Trustee shall have received in form satisfactory to it irrevocable instructions from the Borrower or the Controlling Person, as the case may be, in accordance with Section 2.12 hereof to cause a redemption of the Bonds, to redeem such Bonds on such date and either evidence satisfactory to the Trustee that all redemption notices required by this Indenture have been given or irrevocable power authorizing the Trustee to give such redemption notices has been granted to the Trustee.

(d) Limitations set forth elsewhere herein regarding the investment of moneys held by the Trustee in the Bond Fund shall not be construed to prevent the depositing and holding in the Bond Fund of the Government Obligations described in this Section 5.2 for the purpose of defeasing the lien of this Indenture as to Bonds which have not yet become due and payable. Notwithstanding any other provision of this Indenture to the contrary, all funds deposited with the Trustee as provided in this Section may be invested and reinvested, at the direction of the Borrower, in Government Obligations (or in a money market fund that invests solely in Government Obligations and is rated no lower than the second highest category by one of Fitch, Moody's or S&P and, if more than one of such rating agencies then rates such money market fund, is rated no less than the second highest rating category by each of such rating agencies then rating such money market fund) maturing in the amounts and times as hereinbefore set forth, and all income from all Government Obligations (or money market fund) in the hands of the Trustee pursuant to this Section which is not required for the payment of the Bonds and interest and redemption premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Section 5.3 Discharge of this Indenture. Notwithstanding the fact that the lien of this Indenture upon the Security may have been discharged and cancelled in accordance with Section 5.1 hereof, this Indenture and the rights granted and duties imposed hereby, to the extent not inconsistent with the fact that the lien upon the Security may have been discharged and cancelled, shall nevertheless continue and subsist after payment in full of the Bonds or the deemed payment in full of the Bonds in accordance with Section 5.2 hereof until the Trustee shall have returned to the Borrower, all funds held by the Trustee which the Borrower is entitled to receive pursuant to this Indenture after all Bonds have been paid at maturity or redeemed. Upon payment in full or defeasance of the Bonds, payment of amounts payable to the United States pursuant to any rebate requirement and payment of all other amounts owing under the Bond Documents, all remaining amounts held by the Trustee shall be paid to the Borrower.

ARTICLE VI

DEFAULT PROVISIONS AND REMEDIES

Section 6.1 Events of Default. Any one of the following shall constitute an Event of Default hereunder:

- (a) Failure to pay interest on any Bond when and as the same shall have become due;
- (b) Failure to pay the principal of or any premium on any Bond when and as the same shall become due, whether at the stated maturity or redemption date thereof or by acceleration;

(c) Failure to observe or perform any other of the covenants, agreements or conditions on the part of the Issuer included in this Indenture or in the Bonds and the continuance thereof for a period of thirty (30) days after written notice to the Issuer and the Borrower has been given by the Trustee or by the Controlling Person (with a copy to the Trustee); or

(d) The occurrence of an Event of Default under the Loan Agreement or the failure by the Borrower to perform or comply with any of the other terms or conditions contained in any other Bond Documents to which the Borrower is a party and continuation of such failure for beyond the expiration of any notice, grace or cure period provided in the Loan Agreement or the Bond Documents (as applicable).

Section 6.2 Acceleration.

(a) Upon the occurrence of an Event of Default, at the direction of the Controlling Person, the Trustee immediately shall, by notice in writing sent to the Issuer, the Borrower, the Majority Owner and the Controlling Person, declare the principal of all Bonds then Outstanding (if not then due and payable) and the interest accrued thereon to be due and payable immediately, and, upon said declaration, such principal and interest shall become and be immediately due and payable. Upon any declaration of acceleration hereunder, the Trustee shall immediately exercise such rights as it may have under the Loan Agreement and the Note to declare all Repayments to be immediately due and payable. In such event, there shall be due and payable on the Bonds an amount equal to the total principal amount of all such Bonds, plus all interest accrued thereon (including Default Interest, if any) and which will accrue thereon to the date of payment and all unpaid interest on the Bonds on the date of payment, and the acceleration premium described in Section 6.8 (if applicable).

(b) Immediately following any such declaration of acceleration, the Trustee shall cause to be mailed notice of such declaration by first-class mail, postage prepaid (or, in the case of Bonds administered in the Book-Entry System, cause to be sent pursuant to the applicable procedures of the Securities Depository), to each Holder of a Bond at his/her last address appearing on the Register. Any defect in or failure to give such notice of such declaration shall not affect the validity of such declaration.

Section 6.3 Other Remedies; Rights of Holders.

(a) Upon the happening and continuance of an Event of Default hereunder, the Trustee may, with the prior written consent of the Controlling Person, and shall, subject to Section 7.1, upon the direction of the Controlling Person, with or without taking action under Section 6.2 hereof, pursue any available remedy to enforce the performance of or compliance with any Bond Documents.

(b) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee, the Controlling Person, the Majority Owner or the Holders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee, the Majority Owner, the Controlling Person or to the Holders hereunder or now or hereafter existing.

(c) No delay or omission to exercise any right or power accruing upon any Default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Default or Event of Default or acquiescence therein and every such right and power may be exercised from time to time and as often as may be deemed expedient.

(d) No waiver of any Default or Event of Default hereunder, whether by the Trustee or by the Holders, shall extend to or shall affect any subsequent Default or Event of Default or shall impair any rights or remedies consequent thereon.

(e) The Trustee, as the assignee of substantially all right, title and interest of the Issuer in and to the Loan Agreement and the Note, shall be empowered to enforce each and every right granted to the Issuer under the Loan Agreement and the Note other than Reserved Rights.

Section 6.4 Right of Controlling Person to Direct Proceedings.

(a) Anything in this Indenture to the contrary notwithstanding, the Controlling Person shall have the right at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or any other proceedings hereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture.

(b) No Holder shall have the right to institute any proceeding for the enforcement of this Indenture unless such Holder has given the Trustee and the Borrower written notice of an Event of Default, the Controlling Person shall have requested the Trustee in writing to institute such proceeding, the Trustee shall have been afforded a reasonable opportunity to exercise its powers or to institute such proceeding, there shall have been offered to the Trustee indemnity satisfactory to it against the cost, expense and liability to be incurred in connection with such request and the Trustee shall have thereafter failed or refused to exercise such powers or to institute such proceeding within sixty (60) days after receipt of notice with no inconsistent direction given during such sixty (60) days by the Holders of a majority in aggregate principal amount of the Bonds then Outstanding. Nothing in this Indenture shall affect or impair any right of enforcement conferred on any Holder by the Act to enforce (i) the payment of the principal of, acceleration premium, if any, and interest on Bonds at and after the maturity thereof, or (ii) the obligation of the Issuer to pay the principal of, acceleration premium, if any, and interest on Bonds to such Holder at the time, place, from the sources and in the manner as provided in this Indenture.

Section 6.5 Discontinuance of Default Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer and the Trustee shall be restored to their former positions and rights hereunder and all rights, remedies and powers of the Issuer and the Trustee shall continue as if no such proceedings had been taken subject to the limits of any adverse determination.

Section 6.6 Waiver. The Trustee, with the consent of the Controlling Person may, and shall upon the written direction of the Controlling Person, waive any Default or Event of Default hereunder and its consequences and rescind any declaration of acceleration of maturity of principal; provided, however, that there shall be no such waiver or rescission unless all principal of, acceleration premium, if any, and interest on the Bonds in arrears, together with interest thereon (to the extent permitted by law) at the applicable rate of interest borne by the Bonds and all fees and expenses of the Trustee and the Issuer shall have been paid or provided for.

Section 6.7 Application of Moneys. Except for moneys deposited pursuant to Article V hereof, all moneys held by the Trustee (other than the Rebate Fund) or received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall be deposited in the Bond Fund and, after payment (out of moneys derived from a source other than moneys held for the redemption of Bonds) of (i) the cost and expenses of the proceedings resulting in the collection of such moneys and of

the expenses, liabilities and advances incurred or made by the Trustee, including reasonable attorneys' fees, and all other outstanding fees and expenses of the Trustee, and (ii) any sums due to the Issuer under the Loan Agreement (other than Repayments), such moneys shall be applied in the order set forth below:

(a) Unless the principal of all Bonds shall have become or been declared due and payable, all such moneys shall be applied:

First: To the payment of all installments of interest then due on the Bonds in order of priority first to installments past due for the greatest period and, if the amount available shall not be sufficient to pay in full any particular installment, then to the ratable payment of the amounts due on such installment;

Second: To the payment of the unpaid principal of and acceleration premium, if any, of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), with interest on such Bonds from the respective dates upon which they became due (at the rate borne by the Bonds, to the extent permitted by law) and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such acceleration premium, then to the ratable payment of the amounts due on such date;

Third: To the payment of the amounts required to reimburse the Issuer and the Owners of the Bonds for any legal or other out-of-pocket costs incurred by them in connection with exercising their remedies hereunder; and

Fourth: The balance shall be paid to the Borrower (subject to any required deposits to the Rebate Fund).

(b) If the principal of all the Bonds shall have become or been declared due and payable, all such moneys shall be applied to the payment of the principal, acceleration premium, if any, and interest then due and unpaid upon the Bonds, without preference or priority as between principal, premium, interest, installments of interest or Bonds, ratably according to the amounts due respectively for principal, premium and interest to the persons entitled thereto.

(c) If the principal on all Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded under this Article then, subject to subsection (b) of this Section in the event that the principal of all the Bonds shall again become or be declared due and payable, the moneys shall be applied in accordance with subsection (a) of this Section.

(d) Notwithstanding anything contained herein to the contrary, the Controlling Person may, with express written consent of the Majority Owner, by written notice to the Trustee direct the application of funds other than in the manner set forth in Section 6.7(a) above, including, without limitation, the application of funds between the principal or acceleration premium of or interest on the Bonds.

(e) Whenever moneys are to be applied pursuant to this Section, the Trustee shall fix the date, which shall be not more than seven (7) calendar days after receipt of such moneys, upon which such application is to be made and upon such date interest on the principal amount of Bonds to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date.

Section 6.8 Default Interest and Acceleration Premium. In the event that principal of, premium, if any, or interest payable on the Bonds is not paid when due or upon the occurrence and during the continuance of any other Event of Default, there shall be payable on the Bonds or on any amount not timely paid, interest at the Default Rate, to the extent permitted by law. This interest shall accrue at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full. In the event there shall have occurred an acceleration of the Bonds or the Borrower's obligations under the Loan Agreement following an Event of Default on or before December 1, 2034, any tender of payment of any amount necessary to pay the Bonds in full shall include the acceleration premium set forth in Section 2.3(c) of the Loan Agreement.

ARTICLE VII **THE TRUSTEE**

Section 7.1 Appointment of Trustee. The Trustee is hereby appointed and does hereby agree to act in such capacity, and to perform the duties of the Trustee under this Indenture, but only upon and subject to the following express terms and conditions (and no implied covenants or other obligations shall be read into this Indenture against the Trustee):

(a) The Trustee may execute any of its trusts or powers hereunder and perform any of its duties by or through attorneys, agents, receivers or employees. The Trustee shall be entitled to advice of Counsel concerning all matters hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees. The Trustee may act upon the opinion or advice of Counsel, accountants, engineers or surveyors selected by it in the exercise of reasonable care or, selected by the Issuer or Borrower, in accordance with the Bond Documents. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) Except as provided in Section 7.8 hereof, the Trustee shall not be responsible for any recital herein or in the Bonds, or for the recording, re-recording, filing or re-filing of this Indenture, of any financing statements or continuation statements, or for insuring the Security or the Project Facilities, or for the validity of this Indenture or of any supplements hereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value of or title to the Project Facilities or otherwise as to the maintenance of the Security. The Trustee shall not be liable to the Borrower, any Holder, any Beneficial Owner or any other Person for any loss suffered in connection with any investment of funds made by it in accordance with Section 4.7 hereof in good faith as instructed by the Borrower in accordance with the provisions of this Indenture, and with the prior written consent of the Controlling Person, as applicable. The Trustee shall have no duty or responsibility to examine or review and shall have no liability for the contents of any documents submitted to or delivered to any Holder in the nature of a preliminary or final placement memorandum, official statement, offering circular or similar disclosure document.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder after such Bonds shall have been delivered in accordance with instructions of the Issuer or for the use by the Borrower of the proceeds of the Bonds advanced to the Borrower as provided in the Loan Agreement. The Trustee may become the owner of Bonds secured hereby with the same rights as any other Holder.

(d) The Trustee shall be protected in acting upon opinions of Counsel and upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any notices, directions, consents, approvals or requests provided to the Trustee pursuant to the terms of this Indenture

or any of the Bond Documents shall not be effective until provided in writing. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Holder of any Bond shall be conclusive and binding upon all future Holders of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) The permissive right of the Trustee to do things enumerated in this Indenture or the Loan Agreement shall not be construed as duties. The Trustee shall only be responsible for the performance of the duties expressly set forth herein and shall not be answerable for other than its gross negligence, bad faith or willful misconduct in the performance of those express duties.

(f) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or non-fulfillment of contracts, relating to the Project Facilities.

(g) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trust and powers or otherwise in respect of this Indenture.

(h) Before taking any action requested hereunder by the Holders which may require it to expend its own funds or otherwise subject it to liability, the Trustee may require satisfactory security or indemnification for the reimbursement of all expenses and/or liabilities to which it may be put by reason of any action so taken. The Trustee shall not be entitled to indemnification as a precondition to giving notices of default or taking other actions at the direction of the Majority Owner or the Controlling Person if the Trustee determines that such actions shall not subject the Trustee to liability and if such actions do not require the Trustee to expend its own funds or for which funds have been advanced by the Majority Owner or the Controlling Person to the Trustee in advance of its taking such action.

(i) All moneys received by the Trustee, until used or applied or invested as herein provided, shall be held as special trust funds for the purposes specified in this Indenture and for the benefit and security of the Holders of the Bonds as herein provided. Such moneys need not be segregated from other funds except to the extent required by law or herein provided, and the Trustee shall not otherwise be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(j) The Trustee shall not be bound to ascertain or inquire as to the performance of the obligations of the Borrower or the Issuer under the Loan Agreement or this Indenture, and shall not be deemed to have, or be required to take, notice of default under this Indenture (other than under Section 6.1(a) or (b), or the occurrence of a Determination of Taxability, except (i) in the event the Borrower fails to pay any Repayment when due, (ii) in the event of an insufficient amount in the Bond Fund (or any account therein) to make a principal or interest payment on the Bonds, (iii) if the Trustee receives written notification of a Determination of Taxability by the Holder of any Bonds, (iv) if the Trustee receives written notification of such default by the Borrower, Controlling Person, the Majority Owner or two or more Holders with combined holdings of not less than twenty-five percent (25%) of the principal amount of Outstanding Bonds, or (v) if the Trustee receives an Opinion of Bond Counsel concluding that a Determination of Taxability has occurred, and in the absence of such notice the Trustee may conclusively presume there is no Determination of Taxability and no default except as aforesaid. The Trustee may nevertheless require the Issuer and the Borrower to furnish information regarding performance of their obligations under the Loan Agreement and this Indenture, but is not obligated to do so.

(k) The Trustee shall, prior to any Event of Default and after the curing of all Events of Default which may have occurred, perform such duties and only such duties of the Trustee as are

specifically set forth in this Indenture. The Trustee shall, during the existence of any Event of Default which has not been cured, exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his/her own affairs.

(l) In addition to the Trustee's other duties hereunder, the Trustee shall authenticate and cancel Bonds as provided herein, keep such books and records relating to such duties as shall be consistent with prudent industry practice and make such books and records available for inspection by the Issuer and the Borrower at all reasonable times. All Bonds shall be made available for authentication, exchange and registration of transfer at the principal office of the Trustee.

(m) The Trustee shall have no duty to inspect or oversee the renovation or completion of the Improvements or to verify the truthfulness or accuracy of the certifications made by the Borrower in any Requisition.

(n) Without limiting the duties of the Trustee expressly set forth herein, the Trustee shall have no obligation or responsibility whatsoever in connection with (i) any federal or state tax-exempt status of the Bonds or the interest thereon; (ii) the consequences of the investment or non-investment of any funds or accounts relating to the Bonds under Section 148 of the Code, or (iii) the calculation of any amount required to be rebated to the United States under Section 148 of the Code.

(o) No provision of this Indenture, the Loan Agreement or the Bonds shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(p) Whenever in the administration of this Indenture the Trustee deems it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee may, in the absence of bad faith on its part and except as otherwise expressly set forth herein, rely upon a written certificate of the Controlling Person or the Majority Owner or prior to an Event of Default hereunder and in the absence of a conflicting direction from the Controlling Person, a Borrower Representative. The Trustee shall have no liability for any act or omission taken at the direction of the Controlling Person or Majority Owner.

(q) In the absence of a direction from the Controlling Person or the Majority Owner, if the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders of the Bonds, each representing less than a majority in aggregate principal amount of the Bonds Outstanding, pursuant to the provisions of this Indenture, the directions given by the group of Holders which holds the largest percentage of the principal amount of the Bonds may be deemed controlling and the Trustee shall be entitled to follow such directions unless the Trustee determines in good faith that any such direction would involve the Trustee in personal liability or shall materially prejudice the Holders not party to such direction.

(r) The Trustee's immunities and protections from liability and its rights to indemnification in connection with the performance of its duties under this Indenture shall likewise extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's rights to compensation, shall survive the Trustee's resignation or removal, the discharge of this Indenture and the final payment of the Bonds.

(s) The Trustee, in its commercial banking or in any other capacity, may in good faith buy, sell, own, hold or deal in any of the Bonds and may join in any action that any Holder may be entitled to take with like effect as if it were not the Trustee. The Trustee, in its commercial banking or in

any other capacity, may also engage in or be interested in any financial or other transaction with the Borrower and may act as depository, trustee or agent for any committee of Holders secured hereby or other obligations of the Borrower, as freely as if it were not the Trustee hereunder. The provisions of this paragraph shall extend to the affiliates of the Trustee.

(t) The Trustee shall have no responsibility or obligation to DTC Participants, to Indirect Participants, or to the Persons for whom they act as nominees with respect to the Bonds, or to any Beneficial Owner of Bonds in respect of the accuracy of any records maintained by the Securities Depository, the Securities Depository Nominee or any DTC Participant or Indirect Participant, the payment by the Securities Depository, the Securities Depository Nominee or any DTC Participant or Indirect Participant of any amount in respect of the principal of or interest on the Bonds, any notice which is permitted or required to be given under this Indenture, the selection by the Securities Depository, the Securities Depository Nominee or any DTC Participant or Indirect Participant of any Person to receive payment in the event of a partial redemption of the Bonds, or any consent given or other action taken by the Securities Depository or the Securities Depository Nominee as Holder.

(u) Whether or not expressly so provided, each and every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of this Section.

Section 7.2 Compensation and Indemnification of Trustee and Rebate Analyst; Trustee's Prior Claim.

(a) The Loan Agreement provides that the Borrower will pay the reasonable fees and expenses of the Trustee under this Indenture and all other amounts which may be payable to the Trustee under this Section, such fees and expenses to be paid when due and payable by the Borrower directly to the Trustee for its own account. The Issuer shall have no responsibility or liability whatsoever to pay any of the fees and expenses of the Trustee. Except as set forth in Section 6.7, the Trustee shall not have a lien on the Security for the payment of its fees or expenses and shall not be entitled to pay its fees and expenses from amounts held in the funds and accounts hereunder. The Loan Agreement provides that the Borrower will pay the fees and expenses of the Rebate Analyst. The Issuer shall have no responsibility or liability whatsoever to pay any of the fees and expenses of the Rebate Analyst.

(b) The Borrower shall (i) pay the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation (which shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) for all services (including extraordinary services), (ii) pay or reimburse the Trustee upon request for all reasonable expenses, disbursements and advances incurred or made, in accordance with any of the provisions of this Indenture and the Loan Agreement (including the reasonable compensation and the reasonable expenses and disbursements of its Counsel and of all agents and other persons not regularly in its employ), except to the extent that any such expense, disbursement or advance is due to its own gross negligence, willful misconduct or bad faith, and (iii) indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred by it, arising out of or in connection with the acceptance or administration of this Indenture or the trusts hereunder or the performance of its duties hereunder or under the Loan Agreement, including the reasonable costs and expenses of defending itself against or investigating any claim of liability in the premises, except to the extent that any such loss, liability or expense was due to its own gross negligence, willful misconduct or bad faith. "Trustee," for purposes of this Section shall include any predecessor Trustee, but the gross negligence, willful misconduct or bad faith of any Trustee, shall not affect the indemnification of any other Person. The obligations of the Borrower under this Section shall survive the termination of this Indenture.

Section 7.3 Intervention in Litigation. In any judicial proceedings to which the Issuer is a party, the Trustee may intervene on behalf of Holders, and shall intervene if requested in writing by the Controlling Person, the Majority Owner or the Holders of at least twenty-five percent (25%) in aggregate principal amount of Bonds then Outstanding.

Section 7.4 Resignation; Successor Trustees.

(a) The Trustee and any successor Trustee may resign only upon giving sixty (60) days prior written notice to the Issuer, the Borrower, the Controlling Person and each Holder of Bonds then Outstanding as shown on the Register. Such resignation shall take effect only upon the appointment of a successor Trustee by the Issuer with the consent of the Controlling Person and the acceptance of such appointment by the successor Trustee. If no successor is appointed within sixty (60) days after the notice of resignation, the Controlling Person may appoint a Trustee or the resigning Trustee may appoint a successor or petition any court of competent jurisdiction to appoint a successor. Upon appointment of a successor Trustee, the resigning Trustee shall assign all of its right, title and interest in this Indenture and the Security to the successor Trustee. The successor Trustee shall be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States, or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000. Any successor Trustee shall accept in writing its duties and responsibilities hereunder and such writing shall be filed with the Issuer, the Controlling Person and the Borrower.

(b) Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, reorganization or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or any material part of the corporate trust business of the Trustee that includes this Indenture, shall be the successor of the Trustee hereunder without the execution or filing of any paper or any further act on the part of any Person, anything herein to the contrary notwithstanding, provided that such successor Trustee shall be eligible to serve as Trustee under the provisions of this Indenture. If the Trustee is not the successor corporation in any such merger or consolidation, the Trustee shall give notice of such event to the Borrower and shall take such action as may be required to effect a transfer of the trust included in this Indenture to such successor corporation.

Section 7.5 Removal of Trustee. The Trustee may be removed at any time, by an instrument or concurrent instruments in writing delivered to the Trustee, the Issuer the Controlling Person and the Borrower and signed by the Holders of a majority in aggregate principal amount of Bonds then Outstanding. During such time that no Event of Default has occurred and is continuing under this Indenture, the Trustee may also be removed by an instrument or concurrent instruments in writing delivered to the Trustee and the Issuer and signed by the Controlling Person, with notice to the Borrower. Such removal shall take effect only upon the appointment of a successor Trustee by the Issuer with the consent of the Controlling Person and the acceptance of such appointment by the successor Trustee. Upon such removal, the Trustee shall assign to the successor Trustee all of its right, title and interest in this Indenture and the Security in the same manner as provided in Section 7.4 hereof.

Section 7.6 Instruments of Holders.

(a) Any instrument required by this Indenture to be executed by Holders may be in any number of writings of similar tenor and may be executed by Holders in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds given in any of the following forms shall be sufficient for any of the purposes of this Indenture:

(i) A certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him/her the execution thereof; or

(ii) A certificate executed by any trust company or bank stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank, as the property of such party, the Bonds therein mentioned.

(b) The Trustee may rely on such an instrument of Holders unless and until the Trustee receives notice in the form specified in clauses (a) (i) or (ii) above that the original such instrument is no longer reliable. In the absence of direction from the Controlling Person, if the Trustee shall receive conflicting directions from two or more groups of Holders, each with combined holdings of not less than twenty-five percent (25%) of the principal amount of Outstanding Bonds, the directions given by the group of Holders which holds the largest percentage of the principal amount of the Bonds shall be controlling and the Trustee shall follow such directions.

Section 7.7 Power to Appoint Co-Trustees.

(a) At any time or times, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Project Facilities may at the time be located, the Issuer and the Trustee shall have power to appoint and, upon the request of the Trustee or of the Holders of a majority of the aggregate principal amount of the Bonds then Outstanding, the Issuer shall for such purpose join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to appoint, one or more persons approved by the Trustee and the Borrower either to act as co-trustee or co-trustees, jointly with the Trustee of all or any part of the Project Facilities, or to act as separate trustee or separate co-trustees of all or any part of the Project Facilities, and to vest in such person or persons, in such capacity, such title to the Project Facilities or any part thereof, and such rights, powers, duties, trusts or obligations as the Issuer and the Trustee may consider necessary or desirable, subject to the remaining provisions of this Section.

(b) Any co-trustee or separate trustee shall be a bank or trust company with trust powers organized under the laws of the United States of America or any state of the United States or the District of Columbia, having a combined capital stock, surplus and undivided profits aggregating at least \$50,000,000.

(c) The Trustee and co-trustee, if any, may by written instrument between them designate and assign either the Trustee or the co-trustee or both of them to perform all or any part of the responsibilities and duties of the Trustee under this Indenture.

(d) If the Issuer shall not have joined in such appointment within thirty (30) days after the receipt by it of a written request to do so, or in case an Event of Default shall have occurred and be continuing, the Trustee and the Borrower shall have the power to make such appointment.

(e) The Issuer shall execute, acknowledge and deliver all such instruments as may be required by any such co-trustee or separate trustee for more fully confirming such title, rights, powers, trusts, duties and obligations to such co-trustee or separate trustee.

(f) Every co-trustee or separate trustee appointed pursuant to this Section 7.7, to the extent permitted by law or any applicable contract, shall be subject to the following terms, namely:

(i) This Indenture shall become effective at the time the Bonds shall be authenticated and delivered, and thereupon such co-trustee or separate trustee shall have all rights, powers, trusts, duties and obligations by this Indenture conferred upon the Trustee in respect of the custody, control or management of moneys, papers, securities and other personal property.

(ii) All rights, powers, trusts, duties and obligations conferred or imposed upon the trustees shall be conferred or imposed upon and exercised or performed by the Trustee, or by the Trustee and such co-trustee or co-trustees, or separate trustee or separate trustees, as shall be provided in the instrument appointing such co-trustee or co-trustees or separate trustee or separate trustees, except to the extent that, under the law of any jurisdiction in which any particular act or acts are to be performed, the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-trustee or co-trustees or separate trustee or separate trustees.

(iii) Any request in writing by the Trustee to any co-trustee or separate trustee to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking, or the refraining from taking, of such action by such co-trustee or separate trustee.

(iv) Any co-trustee or separate trustee, to the extent permitted by law, may delegate to the Trustee the exercise of any right, power, trust, duty or obligation, discretionary or otherwise.

(v) The Trustee at any time, by an instrument in writing, with the concurrence of the Issuer, may accept the resignation of any co-trustee or separate trustee appointed under this Section, and, in case an Event of Default shall have occurred and be continuing, the Trustee shall have power to accept the resignation of, or remove, any such co-trustee or separate trustee without the concurrence of the Issuer. Upon the request of the Trustee, the Issuer shall join with the Trustee in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-trustee or separate trustee so resigned or removed may be appointed in the manner provided in this Section.

(vi) No co-trustee or separate trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder.

(vii) Any moneys, paper, securities or other items of personal property received by any such co-trustee or separate trustee hereunder shall forthwith, so far as may be permitted by law, be turned over to the Trustee.

(g) Upon the acceptance in writing of such appointment by any such co-trustee or separate trustee, it or he shall be vested with the Security Interest in the Security and with such rights, powers, duties, trusts or obligations, as shall be specified in the instrument of appointment jointly with the Trustee (except insofar as applicable law makes it necessary for any such co-trustee or separate trustee to act alone) subject to all the terms of this Indenture. Every such acceptance shall be filed with the Trustee.

(h) In case any co-trustee or separate trustee shall die, become incapable of acting, resign or be removed, the Security Interest in the Security and all rights, powers, trusts, duties and obligations of said co-trustee or separate trustee shall, so far as permitted by law, vest in and be exercised by the Trustee unless and until a successor co-trustee or separate trustee shall be appointed in the same manner as provided for with respect to the appointment of a successor Trustee pursuant to Section 7.4 hereof.

Section 7.8 Filing of Financing Statements. The Borrower in the Loan Agreement and Mortgage has agreed to file or record or cause to be filed or recorded all Financing Statements that are required in order fully to protect and preserve the Security Interests in the Security and the priority thereof and the rights and powers of the Trustee in connection therewith. The Trustee is not responsible for any original filings of financing statements. The Trustee shall cause to be filed continuation statements to such originally filed financing statements under the Uniform Commercial Code of the State, with the appropriate filing office of the State, in such manner as may be required by the Uniform Commercial Code of the State, provided a copy of the originally filed financing statement has been timely delivered to the Trustee. Notwithstanding anything to the contrary contained in this Indenture or any other Bond Document, except as expressly provided in the prior sentence of this Section, the Trustee shall not be responsible for any initial, amendment, or other filings of any financing statements or the information contained therein (including the exhibits thereto), the perfection of any such security interests, or the accuracy or sufficiency of any description of collateral in such initial filings or for filing any modifications or amendments to the initial filings or any amendments or other changes required under Article 9 of the Uniform Commercial Code of the State. The Trustee shall be fully protected in relying on information with respect to such initial filing delivered to it by or on behalf of the Issuer or the Borrower, as applicable, and descriptions in filing any continuation statements required by this Section. The Trustee may seek advice of counsel at the sole expense of the Borrower if the collateral, the debtor or the jurisdiction with respect to the financing statement changes. The Borrower will pay all costs of filing the Financing Statements and all financing and continuation statements required under Section 3.2 of the Loan Agreement.

ARTICLE VIII

AMENDMENTS, SUPPLEMENTAL INDENTURES

Section 8.1 Supplemental Indentures.

(a) The Issuer and the Trustee, with the prior written consent of the Controlling Person, but without the consent of or notice to any Holders, may enter into an indenture or indentures supplemental to this Indenture that do not materially adversely affect the interest of the Holders for one or more of the following purposes:

(i) to grant to or confer upon the Trustee for the benefit of the Holders, any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Holders or the Trustee;

(ii) to grant or pledge to the Trustee for the benefit of Holders, any additional security other than that granted or pledged under this Indenture;

(iii) to modify, amend or supplement this Indenture or any indenture supplemental hereto in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939 or any similar federal statute then in effect or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States;

(iv) to appoint a successor Trustee or co-trustees in the manner provided in Article VII hereof;

(v) to modify, amend or supplement this Indenture to permit a transfer of Bonds from one Securities Depository to another or the discontinuance of the Book-Entry System and issuance of replacement Bonds to the Beneficial Owners;

(vi) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture that may be defective or inconsistent with any provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under this Indenture which shall not (in the judgment of the Controlling Person) materially adversely affect the interest of the Holders; or

(vii) to make any change herein necessary, in the opinion of Bond Counsel, to maintain the exclusion of the interest on any Outstanding Bonds from gross income of the Holders thereof for federal income tax purposes.

(b) When requested by the Issuer, and if all conditions precedent under this Indenture have been met, and there shall have been delivered to the Trustee an opinion of Bond Counsel to the effect that such supplemental indenture is authorized or permitted by this Indenture and complies with its terms and will not adversely affect the excludability of interest on the Bonds from the gross income of the Holders thereof for federal income tax purposes, the Trustee will join the Issuer in the execution of such supplemental indenture; provided the Trustee may, but shall not be required to, enter into any supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or the Bond Documents. Any additional compensation or the expansion of any indemnity obligation shall be the sole responsibility of the Borrower.

(c) The Trustee shall file copies of all such supplemental indentures with the Borrower. The Trustee shall cause notice of any supplemental indenture described above to be given by first-class mail, postage prepaid (or in the case of Bonds administered in the Book-Entry System, given pursuant to the applicable procedures of the Securities Depository), to the Holders of the Outstanding Bonds then shown on the Register.

Section 8.2 Amendments to Indenture; Consent of Majority Owner, Holders, and Borrower.

(a) Exclusive of supplemental indentures covered by Section 8.1 hereof and subject to the terms and provisions contained in this Section 8.2, and not otherwise, anything contained in this Indenture to the contrary notwithstanding, no indenture or indentures supplemental hereto for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture shall be effective without delivery of a Favorable Opinion of Bond Counsel, the written consent of the Majority Owner and execution and delivery by the Trustee (acting upon the direction of the Controlling Person) and the Issuer; provided, however, that nothing contained in this Section shall permit, or be construed as permitting, without the prior written consent of the Holders of all Outstanding Bonds, (i) an extension of the maturity of the principal of, or the optional, extraordinary or mandatory redemption date of, or interest on, any Bond, (ii) a reduction in the principal amount of or the rate of interest on, any Bond, (iii) a preference or priority of any Bond or Bonds over any other Bond or Bonds, (iv) the creation of a lien on the Security prior to the lien of this Indenture, or (v) a reduction in the aggregate principal amount of the Bonds required for any consent to any supplemental indenture; provided further, the Trustee may, but shall not be required to, enter into any supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or the Bond Documents. Any additional compensation or the expansion of any indemnity obligation shall be the sole responsibility of the Borrower. The giving of notice to and consent of the Holders to any such proposed supplemental indenture shall be obtained pursuant to Section 8.5 hereof.

(b) Anything herein to the contrary notwithstanding, a supplemental indenture, amendment or other document described under this Article that affects any rights or obligations of the

Borrower shall not become effective unless and until the Borrower shall have consented to the execution of such supplemental indenture, amendment or other document.

Section 8.3 Amendments to the Loan Agreement or the Note Not Requiring Consent of Holders.

(a) The Issuer shall not cause or permit to exist any amendment, modification, supplement, waiver or consent with respect to the Loan Agreement or the Note without the prior written consent of the Trustee, the Borrower and the Controlling Person. The Issuer may, with the consent of the Controlling Person, but without the consent of or notice to any other Holders, enter into or permit (and the Trustee shall consent to) any amendment of the Loan Agreement or the Note acceptable to the Borrower as may be required (i) for the purpose of curing any ambiguity or formal defect or omission that shall not adversely affect the interest of the Holders, (ii) to grant or pledge to the Issuer or Trustee, for the benefit of the Holders any additional security, (iii) to make any change therein necessary, in the opinion of Bond Counsel, to maintain the exclusion of interest on any Outstanding Bonds from gross income of the Holders thereof for federal income tax purposes, or (iv) in connection with any other change therein which, in the judgment of the Issuer acting in reliance upon an opinion of Counsel, is not materially prejudicial to the interests of the Trustee and the Holders of the Bonds; provided, however, that without the written consent of the Trustee, the Trustee shall not be required to join in the execution of any such amendment that affects the rights, duties, obligations or immunities of the Trustee or that imposes additional obligations on the Trustee.

(b) The Issuer and the Borrower shall file copies of any such amendments to the Loan Agreement or the Note with the Trustee and the Controlling Person.

Section 8.4 Amendments to the Loan Agreement or the Note Requiring Consent of Holders. Except as provided in Section 8.3 hereof, the Issuer shall not enter into, and the Trustee shall not consent to, any other modification or amendment of the Loan Agreement or the Note, nor shall any such modification or amendment become effective, without delivery of a Favorable Opinion of Bond Counsel and the prior written consent of the Majority Owner, such consent to be obtained in accordance with Section 8.5 hereof. No such amendment may, without the consent of the Holders of all the Outstanding Bonds, reduce the amounts or delay the times of payment of Repayments under the Loan Agreement or the Note. The Issuer and the Borrower shall file copies of all such amendments to the Loan Agreement or the Note with the Trustee, the Controlling Person and the Majority Owner.

Section 8.5 Notice to and Consent of Holders. If consent of the Controlling Person, the Majority Owner or any other Holder is required under the terms of this Indenture for the amendment of this Indenture, the Loan Agreement, the Note or for any other similar purpose, the Trustee shall cause notice of the proposed execution of the amendment or supplemental indenture to be given by first-class mail, postage prepaid (or pursuant to the applicable procedures of the Securities Depository, if applicable), to the Controlling Person, the Majority Owner or any other applicable Holder then shown on the Register whose consent is required. Such notice shall briefly set forth the nature of the proposed amendment, supplemental indenture or other action and shall state that copies of any such amendment, supplemental indenture or other document are on file at the principal office of the Trustee for inspection by the Controlling Person and all Holders. If, within forty five (45) days or such longer period as shall be prescribed by the Trustee following the mailing or electronic dispatch of such notice, the Controlling Person, the Majority Owner or the Holders of all, of the principal amount of the Bonds Outstanding, as the case may be, by instruments filed with the Trustee, shall have consented to the amendment, supplemental indenture or other proposed action, then the Trustee may execute such amendment, supplemental indenture or other document or take such proposed action and the consent of the Controlling Person, the Majority Owner or the Holders, as applicable, shall thereby be conclusively presumed.

- (vii) To Default Interest and any late fees; and
- (viii) To other amounts due under the Bond Documents.

Any payment received by the Controlling Person from or on behalf of the Borrower under this Indenture or the Bond Documents shall be remitted by the Controlling Person to the Trustee no later than the second (2nd) Business Day after receipt by the Controlling Person, or sooner if so required under this Indenture or Bond Documents and the Trustee shall deposit such amount in accordance with the direction received from the Controlling Person. (i) The Controlling Person shall use its best efforts to obtain financial statements and other reports from the Borrower at the times and to the extent required under the Bond Documents and deliver the same to the Majority Owner and the Trustee.

(j) The Controlling Person shall obtain, and shall provide to the Majority Owner a copy of the Borrower's certificates of compliance with the Land Use Restriction Agreement or other evidence of such compliance submitted by the Borrower to the Issuer or the Issuer's designee within thirty (30) days after the later of (i) the date it is required to be submitted to the Issuer or the Issuer's designee, or (ii) the date it is actually so submitted.

(k) The Controlling Person may perform additional duties with respect to the Loan during rehabilitation of the Project Facilities or during the period following an Event of Default at the request of the Majority Owner.

This Bond is one of an issue of duly authorized above captioned bonds issued in the aggregate principal amount of \$ _____ (the "Bonds"), pursuant to the provisions of the Act.

The proceeds from the Bonds are to be used for the purpose of making a mortgage loan pursuant to a Loan Agreement, dated as of _____ 1, 2019 (as amended, modified or supplemented from time to time, the "Loan Agreement"), between the Issuer and the Borrower, to finance the acquisition, renovation, installment and equipping of a multifamily residential facility located in Mishawaka, Indiana, and known as "Ironwood Village Apartments." The Borrower's payment obligations under the Loan Agreement will be evidenced by the Note and secured by the Mortgage.

The Bonds are issued under and are equally and ratably secured by an Indenture of Trust, dated as of _____ 1, 2019 (as amended, modified or supplemented from time to time, the "Indenture"), between the Issuer and the Trustee. All capitalized terms not defined herein shall have the meaning set forth in the Indenture.

Reference is hereby made to the Indenture and to all amendments and supplements thereto for a description of the property pledged and assigned to the Trustee and of the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of the Issuer and the Trustee, the terms on which the Bonds are issued and secured, the manner in which interest is computed on this Bond, mandatory and optional redemption rights, acceleration, the rights of the Bondholders and the provisions for defeasance of such rights.

This Bond is subject to optional and mandatory redemption in whole or in part, on the dates, under the terms and conditions and at the redemption prices set forth in the Indenture, all of the provisions of which are, by this reference, incorporated into this Bond. Notice of redemption shall be given in the manner set forth in the Indenture.

THE BONDS TOGETHER WITH THE INTEREST THEREON DO NOT CONSTITUTE A DEBT OR A LOAN OF CREDIT OR A PLEDGE OF THE FULL FAITH AND CREDIT OR TAXING POWER OF THE ISSUER, OR OF THE STATE OF INDIANA, OR OF ANY POLITICAL SUBDIVISION THEREOF, WITHIN THE MEANING OF ANY STATE CONSTITUTIONAL PROVISION OR STATUTORY LIMITATION AND SHALL NEVER CONSTITUTE NOR GIVE RISE TO A PECUNIARY LIABILITY OF THE ISSUER, THE ISSUER'S ECONOMIC DEVELOPMENT COMMISSION, OR THE STATE OF INDIANA. THE BONDS SHALL NOT CONSTITUTE, DIRECTLY OR INDIRECTLY, OR CONTINGENTLY OBLIGATE OR OTHERWISE CONSTITUTE A GENERAL OBLIGATION OF OR A CHARGE AGAINST THE GENERAL CREDIT OF THE ISSUER, BUT SHALL BE SPECIAL LIMITED OBLIGATIONS OF THE ISSUER PAYABLE SOLELY FROM THE SOURCES DESCRIBED HEREIN AND IN THE INDENTURE, BUT NOT OTHERWISE.

NO RECOURSE SHALL BE HAD FOR THE PAYMENT OF THE PRINCIPAL OF OR PREMIUM, IF ANY, OR INTEREST ON THE BONDS AGAINST ANY PAST, PRESENT, OR FUTURE OFFICER, DIRECTOR, EXECUTIVE DIRECTOR, COUNSEL, ADVISOR, OR AGENT OF THE ISSUER, OR ITS ECONOMIC DEVELOPMENT COMMISSION, OR OF ANY SUCCESSOR TO THE ISSUER OR ITS ECONOMIC DEVELOPMENT COMMISSION, AS SUCH, EITHER DIRECTLY OR THROUGH THE ISSUER OR ITS ECONOMIC DEVELOPMENT COMMISSION, OR ANY SUCCESSOR TO THE ISSUER OR ITS ECONOMIC DEVELOPMENT COMMISSION, UNDER ANY RULE OF LAW OR EQUITY, STATUTE, OR CONSTITUTION OR BY THE ENFORCEMENT OF ANY ASSESSMENT OR PENALTY OR OTHERWISE, AND ALL SUCH LIABILITY OF ANY SUCH OFFICERS, DIRECTORS, EXECUTIVE DIRECTOR, COUNSEL, ADVISORS, OR AGENTS, AS SUCH, IS

HEREBY EXPRESSLY WAIVED AND RELEASED AS A CONDITION OF AND CONSIDERATION FOR THE EXECUTION AND ISSUANCE OF THE BONDS.

The registered owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default thereunder, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

By its purchase of this Bond, the registered owner hereof agrees to the appointment of the Controlling Person as provided in the Indenture and authorizes the Controlling Person to exercise such rights and remedies afforded to the Controlling Person on behalf of the Bondholder as provided in the Bond Documents.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

The Bonds are issuable only as fully registered Bonds and, except as hereinafter provided, in printed or typewritten form, registered in the name of Cede & Co. as nominee of the Depository Trust Company, New York, New York ("DTC"), which shall be considered to be the Holder for all purposes of the Indenture, including, without limitation, payment by the Issuer of the principal and interest due on the Bonds, and receipt of notices to, giving of consents by and exercise of rights of, Holders. There shall be a single Bond representing each maturity, and all Bonds shall be immobilized in the custody of DTC with the owners of beneficial interests in those Bonds (the "book-entry interests") having no right to receive from the Issuer Bonds in the form of physical securities or certificates. Ownership of book-entry interests in the Bonds shall be shown by book entry on the system maintained and operated by DTC, its participants (the "DTC Participants") and certain Persons acting through the DTC Participants, and transfers of ownership of book-entry interests shall be made only by that book-entry system, the Issuer and the Trustee having no responsibility therefor. DTC is to maintain records of the positions of DTC Participants in the Bonds, and the DTC Participants and Persons acting through DTC Participants are to maintain records of the purchasers and owners of book-entry interests in the Bonds. The Bonds as such shall not be transferable or exchangeable, except for transfer to another securities depository (a "Depository") that is a clearing agency under a federal law operating and maintaining, with its participants or otherwise, a Book-Entry System to record ownership of book-entry interests in the Bonds and to effect transfers of book-entry interests in the Bonds, without further action by the Issuer and otherwise at the expense of the Borrower.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a Book-Entry System, the Issuer, solely at the expense of the Borrower, may attempt to have established a securities depository/book-entry system relationship with another qualified Depository under the Indenture. If the Issuer does not or is unable to do so, the Issuer and the Trustee, after the Trustee has made provision for notification of the owners of book-entry interests by the then Depository, shall permit withdrawal of the Bonds from the Depository, and authenticate and deliver Bond certificates in fully registered form (in denominations of \$100,000, or any amount in excess of \$100,000, but not in excess of the aggregate principal amount of Bonds then Outstanding) to the assignees of the Depository or its nominee, all at the cost and expense (including costs of printing or otherwise preparing and delivering replacement Bond certificates) of those Persons requesting such authentication and delivery, if the event is not the result of Issuer action or inaction (including action at the request of the Borrower).

The Issuer and the Trustee may deem and treat the person in whose name this Bond shall be registered on the bond register, as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and interest due hereon and for all other purposes and neither the Issuer nor the Trustee shall be affected by any notice to the contrary.

All acts, conditions and things required by the laws of the Issuer to exist, happen and be performed precedent to and in the execution and delivery of the Indenture and the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by law.

Neither the members, directors, officers, officials, agents or employees of the Issuer, nor any person executing the Indenture or the Bonds, shall be personally liable hereon or be subject to any personal liability by reason of the issuance hereof. Proposed Ordinance No: 2018-40

Ordinance No: _____

LOT 1 IN PORTILLO'S MAIN STREET MINOR SUBDIVISION, AS PER PLAT THEREOF, RECORDED UNDER INSTRUMENT NUMBER 1725314 IN THE OFFICE OF THE RECORDER OF ST. JOSEPH COUNTY, INDIANA.

COMMON ADDRESS: North of the Edison Lakes Parkway and Holy Cross Parkway Intersection

which real estate is now classified as PUD Planned Unit Development district shall hereafter be amended to expand the PUD boundary, add R-3 Multiple Family Residential as a permitted use to allow for a 400 unit apartment complex, and reduce the parking requirements for the R-3 use, per the attached amended conditions, *with changes from the original approved conditions in italics.*

Section 2. The Common Council of the City of Mishawaka, Indiana, hereby finds that:

1. Existing Conditions - The subject property, located east of N. Main Street and north of Edison Lakes Parkway, is undeveloped agricultural land currently zoned for commercial purposes. N. Main Street is a highly travelled corridor with an average annual daily traffic count of nearly 33,000 vehicles per counts taken in 2015. Adjacent land uses include vacant agricultural land to the north within the original PUD, the St. Joseph Health System Mishawaka Medical Center to the east, Vibra Hospital currently under construction and vacant commercial land to the south, and Cheddar's Scratch Kitchen and Portillo's restaurants to the west.
2. Character of Buildings in Area - The area is predominantly commercial and medical-related uses. The character of many of the buildings in vicinity of this site are high quality commercial.
3. The most desirable/highest and best use - Because of the parcels' location and the significant commercial development on the north side of the City, serving as a regional area of commerce, combined with the proximity of Main Street, makes the most desirable use for the property a heavy mix of intensive commercial, professional office and service, and multifamily residential uses.
4. Conservation of property values - The proposed zoning will not be injurious to property values in the surrounding area, because the vast majority of adjacent property is commercial.
5. Comprehensive Plan - This property has been guided as medium density residential as part of the City's 2000 Comprehensive Plan.

Section 3. This Ordinance shall be in full force and effect from and after its passage, due attestation and legal publication.

CITY CLERK
MISHAWAKA, IN

RE: PETITION FOR PUD AMENDMENT AND TO REZONE

The undersigned John Coussens and Cressy Land Investments LLC respectfully show they are the owners of the following described real estate located in the City of Mishawaka, County of St. Joseph, State of Indiana, to-wit:

A PARCEL OF LAND BEING A PART OF THE NORTHEAST QUARTER OF SECTION 33, TOWNSHIP 38 NORTH, RANGE 3 EAST, CLAY TOWNSHIP, ST. JOSEPH COUNTY, INDIANA, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:

COMMENCING AT THE NORTHEAST CORNER OF SAID QUARTER SECTION; THENCE SOUTH 00°40'40" EAST ALONG THE EAST LINE OF SAID QUARTER SECTION, 1,295.97 FEET TO THE POINT OF BEGINNING, SAID POINT ALSO BEING ON THE EAST LINE OF SAID QUARTER SECTION AND THE WEST LINE OF LOT 1 OF ST. JOSEPH MEDICAL EDISON LAKES SUBDIVISION AS RECORDED AS INSTRUMENT NUMBER 0551329 IN THE RECORDER'S OFFICE OF ST. JOSEPH COUNTY, INDIANA; THENCE CONTINUING SOUTH 00°40'40" EAST ALONG THE EAST LINE OF SAID QUARTER SECTION AND THE WEST LINE OF SAID LOT 1, 657.35 FEET TO A POINT ON THE EAST LINE OF SAID QUARTER SECTION AND A CORNER OF SAID LOT 1; THENCE SOUTH 89°40'57" WEST ALONG A NORTHERLY LINE OF SAID LOT 1, 663.14 FEET TO A POINT ON THE EAST LINE OF PORTILLO'S MAIN STREET MINOR SUBDIVISION AS RECORDED AS INSTRUMENT NUMBER 1725314 IN SAID RECORDER'S OFFICE; THENCE NORTH 00°35'56" WEST ALONG THE EAST LINE OF PORTILLO'S MAIN STREET MINOR SUBDIVISION, 657.35 FEET; THENCE NORTH 89°40'58" EAST, 662.24 FEET TO THE TO POINT OF BEGINNING; SAID PARCEL CONTAINING 10.00 ACRES, MORE OR LESS, AND SUBJECT TO EASEMENTS, COVENANTS, AND RIGHT OF WAY OF RECORD.

AND

LOT 1 IN PORTILLO'S MAIN STREET MINOR SUBDIVISION, AS PER PLAT THEREOF, RECORDED UNDER INSTRUMENT NUMBER 1725314 IN THE OFFICE OF THE RECORDER OF ST. JOSEPH COUNTY, INDIANA.

Petitioner(s) own one hundred (100%) percent of the above described parcels which carry zoning classifications of S-2 Planned Unit Development specifically for C-1 (General Commercial) and C-2 (Shopping Center Commercial) uses and C-1 (General Commercial) Said parcels are currently vacant with the exception of a common access drive and parking area located within Lot 1 of the Portillo's Main Street Minor Subdivision.

Petitioner(s) desire that the PUD and zoning for said real estate to be amended to allow for:

1. Expansion of the PUD to include Lot 1 of the Portillo's Main Street Minor Subdivision being a 1.63 acre parcel owned by Cressy Land Investments and zoned C-1 (General Commercial). Saxon Partners, the contingent developer of the proposed multi-family housing project as described below under item #2, is acquiring the 1.63 acre site adjacent to the south west corner of the existing PUD. The parcel is currently zoned C-1 Commercial, which is consistent with the existing uses allowed within the PUD. The parcel will allow vehicular access and connectivity to Main Street and Edison Lakes Parkway as well as utility access to the southern portion of the existing PUD. Uses on this lot will be limited to those identified in the C-1 (General Commercial) zoning district.
2. R-3 (Multiple Unit Residential) zoning classification use for the southern 10 acres of the existing PUD. The contingent developer is proposing to develop a 400 unit multi-family housing project on the southern 10 acres of the existing PUD. The proposed multi-family housing development will consist primarily of studio, one bedroom, and two-bedroom apartments. The target market demographic is single employees of the adjacent hospital. The proposed multi-family residential is complementary to the existing C-1 and C-2 Commercial uses in that it provides additional potential customers in immediate proximity to the existing and proposed restaurant and retail businesses.
3. Reduction in parking requirements in R-3 Use from the required 1.5 spaces per unit to 1.2 spaces per unit. The proposed overall parking density of 1.2 spaces per unit is sufficient to serve to total number of units in the project based on the anticipated occupancy densities and tenant mix of the project. The design of the development will utilize a mix of on-street and off-street parking, along with parking provided under the structures to minimize the amount of land used for surface parking. Additionally, the project will be designed to accommodate bicycle and pedestrian access between the apartments and the hospital, reducing the number of vehicle trips generated.

Accompanying this petition is a drawing, to scale, showing the above described parcel of real estate, together with a simple massing plan intended to provide a sense of the scale of the proposed apartment development on those parcels. Petitioners further agree to the remaining standards and conditions as they exist in the current PUD Ordinance #5348.

Wherefore, the petitioner(s) pray and respectfully request that the Common Council of the City of Mishawaka refer this matter to the Mishawaka City Plan Commission and that after hearing, an appropriate ordinance be enacted amending the PUD of the above described parcel of land located in the City of Mishawaka.
